

# **MOTHER LODE GUN CLUB –GENERAL MEETING and BOARD AGENDA FOR**

**April 8th, 2019**

## ***OPERATION OF MONTHLY MEETING***

Members: The format for conducting the Club's monthly meetings has changed due to legal concerns. It is, unfortunately, the meetings will become more formal when the Board conducts a meeting to handle Club business at the monthly meeting. Please, do not think that you cannot participate. When each agenda item is presented to the Board, raise your hand and comment if you have something to say. Also, if you want something included on a future agenda, communicate that at the meeting or to the President or a member of the board at least three weeks prior to the next monthly meeting. Also, if you do not like using the microphone, please raise your hand and once called on stand and speak loudly so that all can hear. Thank you.
