Mother Lode Gun Club
PO BOX 1759
Jamestown, California 95327
EFFECTIVE: March 26, 2020

Dear Members,

Due to the major health crisis in the United States, the Governor of California has issued directives to the People of the State, ordering businesses to close and limiting public gatherings, in an attempt to help prevent the spread of the Corona virus.

The MLGC Board of Directors desires to comply with these rules to help limit exposure of its members and the public to possible contamination. Therefore, the subsequent Club rules and regulations are effective immediately and stay in effect until further notice…

1. All Club sponsored functions, related activities and disciplines involving groups; including activities open to the public, shall be suspended.

2. Membership gate cards will remain active for the purpose of the member to maintain skill and safety practice, provided the member adheres to the following:

   A. Follow club regulation of 2 guests only. At the present, a guest MUST be a resident of the same household as the member.

   B. Practice “Social Distancing” at the range.

3. Terms of any lessees or lease (rental) agreements may be temporarily suspended, modified or adjusted for loss of use to the renter caused by policy changes.

Please note the General Membership meeting scheduled for Monday, April 13th is cancelled. Admittance of new members will be postponed until May 11th; assuming the stay-at-home order is lifted.

We appreciate your understanding and patience at this time. Thank you for adhering to the guidelines and for taking this seriously. I look forward to seeing you all on the range again soon.

Respectfully,

STEPHANIE MILLER
