Howdy Pard:

Re: DUSTY-GRAM for July 2020

Hi Folks:

For those of you not close to Tuolumne County, as of this morning, July 3rd, Tuolumne County advised for non-county people to stay away and for non-county families to not visit Tuolumne County this weekend.

There is a high power match scheduled for Saturday and Sunday, which is why the cowboys were being forced to shoot on the 25 yard line.

It is not apparent whether the high power group has any protocols; the cowboys have protocols.

However, under the circumstances, we are cancelling the cowboy shoot. Please stay home and stay safe, and we will shoot again in the near future.

Dusty Webster

keeping yer powder dry is easy now.....just keep the sun off your head....and....hydrate

Dusty

See you at our next shoot in Jamestown; RSVP please
