Grizzly Peak Jake has offered to teach an RO I class at Mother Lode Gun Range. The tentative date is December 4th, 2022, in the club house. We have 4 people so far; 2 more are interested pending medical conditions. Hopefully, more of you will sign up. This is a great opportunity to keep updated with recent changes, as of January 2022, to the Range Operations Safety Course, Level One. Rusty Gunsmith and I are current with the RO II refresher course (2022) and Sioux City Kid is current to 2021.

We could use your help, so that all of us are in sync with the current rules. RO II training is required to run the timer, and we could use your help with doing that in the future.

See you at our next shoot in Jamestown
