ABOUT

SpahrTek is a new joint venture under the SBA Mentor Protégé Program between Spahr Solutions Group and large business partner TekSynap. SpahrTek is a partnership that promotes and accelerates the maturation and evolution of Spahr's commitment to excellence. This is done by strategically leveraging the resources, expertise, and experience of TekSynap while maintain autonomy and control over current and future work. SpahrTek LLC inherits its small business certifications from the protégé, Spahr. Therefore, SpahrTek LLC JV is an SBA certified **SDVOB**, **WOSB/EDWOSB**, and **HUBZone** small business.

DIFFERENTIATORS

- Decades of leadership experience in Industry, Military, and Federal Government
- Integration of Veterans at all levels
- Consistent on-time, on-budget service delivery excellence
- Track record of program successes built on responsiveness, agility, and true partnerships with our customers
- Industry-leading benefits and staff development programs that attract and retain top talent
