

# Synagogue Village Network

## Consulting Services

**VISION:** *A world where all active older adults are connected to each other, to the multigenerational communities in which they live, and have the resources and to live meaningful and fulfilling lives.*

**MISSION:** *The Synagogue Village Network is creating a new paradigm for engaging active older adults by promoting the Village model and supporting faith-based communities to establish Villages to meet the needs of active older adults as they remain in their homes.*

### Complimentary Initial Consultation – for interested organizations

- One per organization, suggest including Rabbi, Executive or Program Director, Board Leader, and potential Village Volunteer Leaders
- What we will discuss:
  - What interests you about the Village Model, and how will it enhance your organization.
  - What do you want to learn about the Village Model? What questions do you have?
  - Overview of the Village Model – creating a member-led, member-centered grassroots community.
  - Readiness – what are the components for success?
  - Provide the SVN toolkit (in pdf format) with a suggested donation of \$250.
  - Next Steps and Resources

### Consultation Support of SVN

This is a sample of the consultation available. The SVN will work with the organization to create the package that will best meet their needs and resources.

- Coaching/educational sessions at an hourly rate to help leaders move through the Village exploration process; this includes assistance with the use of the toolkit and reasonable customization of materials.
- Meeting facilitation and Training  
The consultant is available to lead meetings, train volunteers, facilitate visioning and goal-setting.
- What is a Synagogue Village Program – provides education to a group of interested organizations or for an emerging Village steering committee.
- On-going Support and Consultation – 6-month package
  - Ten coaching sessions with the Village Leadership – co-chairs (up to 2 a month)
