

# January

**Welcome back!**

Thank you all for the generous gifts, cards and words of praise and validation. It means a lot.

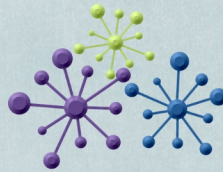

Please review the Tender Heart Childcare handbook for 2019.

I have completed and turned in all my year-end documents to my accountant. I will give you the Childcare W-10 forms as soon as I receive my totals from my accountant.

This year is a license renewal year. I will be checking all the children's files to make sure they are all up to date. If I send home paperwork, please update information and return to me as soon as possible.

I look forward to a busy and fun winter!

i {heart} winter!
