#### Appendix A STATEMENT OF RESPONSIBILITY NYS OFF-ROAD PARK EVENTS

By entering this competition, you acknowledge that **NYS Off-Road Park** is providing general event guidelines and does not guarantee the inspection or approval of the track or officials. Participation in motorsports is inherently dangerous, and you are responsible for assessing your abilities and the risks involved.

You are urged to inspect the course and practice under non-competitive conditions before participating. If you have not practiced, please contact the Race Director. You are solely responsible for the condition of your vehicle and protective gear.

**NYS Off-Road Park** and the event promoter do **not** provide medical insurance coverage. We strongly recommend that you have personal medical insurance before participating. If you feel unprepared or inadequately insured, contact the promoter for a refund of your entry fee.

Spectators assume all risks for any injuries or damages that may occur. **NYS Off-Road Park** makes no guarantees or warranties that compliance with event rules will prevent injury, death, or property damage. These rules are a guide, and responsibility for vehicle safety lies with the owner and driver.

**NYS Off-Road Park** reserves the right to modify these rules at any time. Failure to comply may result in disqualification and removal from the event. Participation is entirely at your own risk.

1. Open to any UTV/Side-by-Side, with full roll cage protection.
2. The vehicle must have a working seatbelt or racing harness, which the driver must wear at all times while the vehicle is in motion.
3. All drivers must wear a DOT or Snell-approved helmet. Eye protection is required if the helmet is of open-face design.
4. Any vehicle that enters the competition must pass a basic safety inspection by NYS Off-Road Park Officials.
5. The vehicle must be in good mechanical condition and must have good working brakes and hooks for recovery vehicles.
6. Additional safety regulations and/or rules may be imposed at race time.
7. Classes will be determined before the event start, depending on the quantity of race vehicles and Modifications. Usually Improved Stock and Modified

### **General Race Rules**

1. Idle speed is mandatory at all non-competition times, including in the pit area, and while entering and leaving the track. The vehicle must come to a complete stop after each run and follow the directions of the officials. No moving vehicles are allowed unless approved by an official.
2. Only ONE driver per vehicle. Passengers are allowed in UTVs with helmets and seatbelts.
3. All drivers and passengers must wear a DOT or Snell-approved helmet. Eye protection is required if the helmet is of open-face design.
4. All drivers must wear protective clothing, including long sleeve shirts/jackets, pants, and shoes/boots.
5. Roll bars, fire extinguishers, neck braces, or any other safety devices are highly recommended.
6. If a red flag is waved by an official at any time during the race, the driver must stop immediately. Failure to do so will result in disqualification.
7. Any vehicle that is disqualified will not receive any prize money.
8. No double entry of vehicles.
9. Vehicles may display advertisements, but nothing obscene, political, or profane.
10. An entry fee is required, which includes a driver pit pass and a pit crew member pass. Fees vary depending on the event.
11. All vehicles must be signed in at least one hour before the event start time.
12. Cash prizes will be awarded to the top-winning tough truck. 100% of entry fees will be returned as prize money.
13. Drivers must be at least 18 years of age and have a valid driver's license. ALL drivers are required to attend the driver's safety meeting held before the show and must sign a waiver acknowledging that they are competing at their own risk.
