From the 2017 National Show Chair

We are so thrilled to host this fun and memorable event. As most of you know, it is a huge undertaking and all of the work literally takes a year and a team of dedicated individuals to make it a success. There are a few outstanding committee members who I would like to recognize by name because without their help, we could not have put on the show you are enjoying this week.

Beverly Henry: Where to begin, Beverly has been a constant source of reference, knowledge and support on nearly every detail – what we can do, what we can't and what we shouldn't. People like Beverly Henry, Lee Ann Stusnick and Karen Ward are such valuable resources to our club and we cannot forget to listen and learn from them every chance we get. The nearly constant work that Beverly has put in is appreciated more than she can ever know and will never be forgotten. We did it, Bev, we survived! My MVP award without a doubt goes to Beverly Henry.

Lezlie Hall: Oh Lezlie! How many late nights and constant texts messages went between us working out all of the financial details, brainstorming and the nearly constant back and forth emails requesting more. You have been so supportive in the face of so much tension while holding two officer positions and a job that is 40 hours per week on the books and 60 more off. You my friend, are superwoman! Thank you from the bottom of my heart.

Deb Decker: Deb, Deb, Deb! You are to blame for us taking all of this on. You convinced me or we convinced each other at Chattanooga that we could hold a really fun National, fast forward and here we are. In the face of more than one personal tragedy, you were able to come in and pick up all of the details with food and beverage, special events and anything else I asked of you. When the burden became heavy you reminded me that it will all be over soon, ha ha! Thank you so much for everything. You are most definitely my ride or die!

Dawn Bannister: Dawn, you have been incredibly generous with both SCA and LSSC. We cannot thank you enough for all of the custom art you created and provided for both trophies and fundraising. As a result, we have trophies to offer that folks will cherish for many years. With so much on your plate already you still made time to work on my every request.

Kristen Henry: Kristen, as always and for many consecutive years, you have donated your immense talents and a tremendous amount of your time to create a website that functions at professional level on par with many corporations. Not only that, you donated a large sum of your own money so that we could have a store that would make purchasing merchandise, meal tickets, etc., seamless and convenient for everyone. It made life for me and our Treasurer so much better than in any year prior. Thank you doesn't seem adequate, but THANK YOU!

Karen Ward & Kathy Navarrete: Oh Karen & Kathy, you have truly been lifesavers! Taking on the Top 20 in progress was a challenge to say the least. But par for you guys, you did it brilliantly and put together a beautiful function for all of us to enjoy. Truly, I cannot thank you both enough.

The rest of our team has been and is vital in their own way and all of us together have created this wonderful event for our club! I want to offer my sincere appreciation to the following team members: Kathy Chebret, Lee Ann Stusnick, Liz Baldwin, Barbara Murray, Kathryn Saucier, Helen Chen Rhodes, Clare Garlick, Nancy Anderson, Michele Gouin, Clare Garlick.

And last but certainly not least, a huge THANK YOU to all of you who generously sponsored trophies for both SCA and LSSC. You are the sole reason we are able to offer these exciting prizes. In particular, I want to thank Betty Jo Patrick for her brilliant ideas and generous donations to the Puppy Invitational and also to Marilyn Lester for her donations of time and money to the Barn Hunt so that Schip folks could have a place of priority and receive gorgeous ribbons and lovely prizes too.

Beth Lilly for the 2017 National Show Committee

AKC BREED STANDARD FOR THE SCHIPPERKE

General Appearance
The Schipperke is an agile, active watchdog and hunter of vermin. In appearance he is a small, thickset, cobby, black, tailless dog, with a fox-like face. The dog is square in profile and possesses a distinctive coat, which includes a stand-out ruff, cape and culottes. All of these create a unique silhouette, appearing to slope from shoulders to croup. Males are decidedly masculine without coarseness. Bitches are decidedly feminine without over refinement.

Any deviation from the ideal described in the standard should be penalized to the extent of the deviation. Faults common to all breeds are as undesirable in the Schipperke as in any other breed, even though such faults may not be specifically mentioned in the standard.

Size, Proportion, Substance
Size--The suggested height at the highest point of the withers is 11-13 inches for males and 10-12 inches for bitches. Quality should always take precedence over size. ***Proportion***--Square in profile. ***Substance***--Thickset.

Head
Expression--The expression is questioning, mischievous, impudent and alert, but never mean or wild. The well proportioned head, accompanied by the correct eyes and ears, will give the dog proper Schipperke expression.

Skull--The skull is of medium width, narrowing toward the muzzle. Seen in profile with the ears laid back, the skull is slightly rounded. The upper jaw is moderately filled in under the eyes, so that, when viewed from above, the head forms a wedge tapering smoothly from the back of the skull to the tip of the nose. The stop is definite but not prominent. The length of the muzzle is slightly less than the length of the skull.

Eyes--The ideal eyes are small, oval rather than round, dark brown, an placed forward on the head.

Ears--The ears are small, triangular, placed high on the head, and, when at attention, very erect. A drop ear or ears is a disqualification.

Nose--The nose is small and black.

Bite--The bite must be scissors or level. Any deviation is to be severely penalized.

Neck, Topline, Body
Neck--The neck is of moderate length, slightly arched and in balance with the rest of the dog to give the correct silhouette. ***Topline***--The topline is level or sloping slightly from the withers to the croup. The stand-out ruff adds to the slope, making the dog seem slightly higher at the shoulders than at the rump. ***Body***--The chest is broad and deep, and reaches to the elbows. The well sprung ribs (modified oval) are wide behind the shoulders and taper to the sternum. The forechest extends in front of the shoulders between the front legs. The loin is short, muscular and moderately drawn up. The croup is broad and well-rounded with the tail docked. No tail is visually discernible.

Forequarters
The shoulders are well laid back, with the legs extending straight down from the body when viewed from the front. From the side, legs are placed well under the body. Pasterns are short, thick and strong, but still flexible, showing a slight angle when viewed from the side. Dewclaws are generally removed. Feet are small, round and tight. Nails are short, strong and black.

Hindquarters
The hindquarters appear slightly lighter than the forequarters, but are well muscled, and in balance with the front. The hocks are well let down and the stifles are well bent. Extreme angulation is to be penalized. From the rear, the legs extend straight down from the hip through the hock to the feet. Dewclaws must be removed.

Coat

Pattern--The adult coat is highly characteristic and must include several distinct lengths growing naturally in a specific pattern. The coat is short on the face, ears, front of the forelegs and on the hocks; it is medium length on the body, and longer in the ruff, cape, jabot and culottes. The ruff begins in back of the ears and extends completely around the neck; the cape forms an additional distinct layer extending beyond the ruff; the jabot extends across the chest and down between the front legs. The hair down the middle of the back, starting just behind the cape and continuing over the rump, lies flat. It is slightly shorter than the cape but longer than the hair on the sides of the body and sides of the legs. The coat on the rear of the thighs forms culottes, which should be as long as the ruff. Lack of differentiation in coat lengths should be heavily penalized, as it is an essential breed characteristic.

Texture--The coat is abundant, straight and slightly harsh to the touch. The softer undercoat is dense and short on the body and is very dense around the neck, making the ruff stand out. Silky coats, body coats over three inches in length or very short harsh coats are equally incorrect.

Trimming--As the Schipperke is a natural breed, only trimming of the whiskers and the hair between the pads of the feet is optional. Any other trimming must not be done.

Color

The outer coat must be black. Any color other than a natural black is a disqualification. The undercoat, however, may be slightly lighter. During the shedding period, the coat might take on a transitory reddish cast, which is to be penalized to the degree that it detracts from the overall black appearance of the dog. Graying due to age (seven years or older) or occasional white hairs should not be penalized.

Gait

Proper Schipperke movement is a smooth, well coordinated and graceful trot (basically double tracking at a moderate speed), with a tendency to gradually converge toward the center of balance beneath the dog as speed increases. Front and rear must be in perfect balance with good reach in front and drive in the rear. The topline remains level or slightly sloping downward from the shoulders to the rump. Viewed from the front, the elbows remain close to the body. The legs form a straight line from the shoulders through the elbows to the toes, with the feet pointing straight ahead. From the rear, the legs form a straight line from the hip through the hocks to the pads, with the feet pointing straight ahead.

Temperament

The Schipperke is curious, interested in everything around him, and is an excellent and faithful little watchdog. He is reserved with strangers and ready to protect his family and property if necessary. He displays a confident and independent personality, reflecting the breed's original purpose as watchdog and hunter of vermin.

Disqualifications

A drop ear or ears.
Any color other than a natural black.

Approved November 13, 1990; Effective January 1, 1991

Maralyn Busse

Maralyn began as a breeder/exhibitor of topnotch Collies under the kennel name Happy Talk. She and her husband, Art, obtained their first Schipperke in 1978. That first Schipperke became CH Skip Dat's First Lady ROM (Lucy). Lucy produced her first litter in 1980 after being bred to BIS CH Do Well's Nitro ROMX HOF. That breeding was repeated in 1982. Most of Lucy's get became champions.

Maralyn later became a judge; she judged all over the world in places like China, Korea, and Puerto Rico. She judged the Schipperke National in 2014. She enjoyed judging immensely. She felt that once she became a judge that she could have a better effect on the breed by recognizing good specimens and by helping educate breeders rather than by breeding herself. Maralyn believed in working toward bettering the breed, and she also wanted the breed to be successful.

One of the things that Maralyn was most proud of was her work on the Schipperke standard revision and the illustrated standard.

Maralyn will be greatly missed!

Nancie Mages – A True Dog Person

We are sad to report our good friend Nancie Mages passed away in her sleep last night. Fanciers who have known Nancie over the past decade or so remember her as an owner of the top winning Border Collies shown by handler and good friend Kimberly Halcom. Nancie also owned big winning Weimaraners handled by Kim as well.

In addition to Border Collies and Weimaraners, she campaigned GCh. Pikkinokka's Lightning Bug, the top winning Nova Scotia Duck Tolling Retriever of all time shown by Don Powell & Stacy Einck-Paul.

Those in the Border Collie community remember Nancie's effort on behalf of the breed and her service to the Border Collier Society of America.

I had the good fortune of meeting Nancie in the early 1980s. I was about 21 and showing my first Schipperke. Nancie was a top breeder and exhibitor of Schips and Belgian Tervuren among other breeds. Amy and I became fast friends with her and she was a great mentor early in our days as young handlers. The knowledge she passed along to us was invaluable.

Many will remember two of Nancie's biggest winners, Ch. Shalako's E.L. Fudge aka "Fudge" that she co-owned and bred with Betty Wynne, and Ch. Dream On's One In A Million aka "Chance" that she showed for good friend and client Marcia Bailey. Chance went on to become the top winning Schipperke in breed history. It was a record that stood for quite some time.

Nancie was a great dog person and a better friend. She will be missed by her friends and family and she will be mourned by all who knew her. The sport of purebred dogs is missing one more point of light that will not soon be replaced.

We will update you about funeral information once the arrangements are complete.

Tears are God's gift to us. Our holy water. They heal us as they flow.

—R. Schiano

Diane Nickell

Diane passed away late Spring 2016. SCA, SCSC and all who knew her lost a speciial person. She spoke her mind even when it wasn't popular.

Diane joined friends, Pat Bailey and Betty Witt in heaven. The four of us became friends because of our love for Schipperkes. I am sure they were all greeted by their beloved fur babies that were waiting for them at the top of the Rainbow Bridge.

Over the many years, Diane welcomed various Schipperkes into her family. At the time we met at an SCSC match in Long Beach, CA, she had three.

Diane had a gentle, generous hand and heart towards most animals and animal causes. Rescuing needy Schips was but one of her attributes. She gave of her time and money to help Schips. Diane loved everything Schipperke – sculptures, paintings, jewelry, clothing and books added to her vast collection of her other love, Koala items.

Diane enjoyed attending all-breed shows to watch the Schipperke judging and wandering the aisles of dog-related sales stalls. She would be pushing the baby carriage she modified to accommodate her Schips. Years later these doggy carriages are now manufactured specifically for animals.

Over many years of her SCSC membership she was the Chair for the raffle tables and silent auction at the annual specialty. She volunteered her time unselfishly.

Diane loved to drive, so she and I often traveled by auto to Schipperke Club of America National Specialties. She always brought one of her Schips along with the Schippy carriage. So many great memories.

Good-bye my friend.....Lori Bishop

Humberto Ricci

Humberto "Ricci" Ricci, an AKC breeder, exhibitor and lover of Schipperkes beginning in 2002 with his wife, Norma, under the Daybreak kennel name, a highly decorated World War II B-29 bombardier with numerous successful bombing missions over Japan from Tinnian, Guam and a decorated post-war service record educating German youth, a lover of boats and the sea with merchant marine service both before and after WWII and over 40 years of sailing experience from Alaska to Mexico and a distinguished educator was born April 14, 1924, and died on January 4, 2017, at the age of 92 after a period of declining health and brief hospitalization. Ricci was buried with full military honors at the Willamette National Cemetery in Oregon.

Ricci was a proud veteran with the gift of sharing his WWII experiences and acquaintances with anyone having an interest with amazing clarity and detail until his death even after seventy years. His memory and patriotism inspired all of us privileged to know and spend time with him.

Ricci and Norma met in 1987 in Oregon and were married in Alaska in 1988. They then began three years of living on their sailboat sailing from Alaska to Mexico. In 1992 they completed their custom-built home in La Centre, Washington. In 2002 they acquired their first Schipperke, started showing with two 4 point majors and as with many of us, were hooked. Ricci attended both the 2005 and 2016 National specialties. He was a long time participating member of the Cascade Schipperke Club and served on the CSC Board. Under their Daybreak kennels, they proceeded to co-breed over thirty show dogs finishing over twenty champions. Ricci loved attending dog shows until just a few months before he passed away.

Ricci taught high school and college students and after sixty years was still visited and remembered by many as an important part of their lives. In honor of Ricci and his work with youth, the family has established a scholarship for disadvantaged youth at Battle Ground School District in Southwest Washington.

Ricci asked that memorials be dedicated to Schipperke rescue.

In Memory of
Shirley Smith - Logaven Schipperkes
July 25, 1929 – March 12, 2017

by Marnie Layng

Shirley was a woman with a positive attitude and quiet strength. She was a wonderful wife for 68 years to Richard (Dick) Smith, mother to daughters Sheryl Griswold (Dennis, Sr.) and Dale Smith, Frewsburg, NY. She was also grandmother to Meredith and Dennis Griswold Jr.

Throughout her life Shirley had many interests including music which she taught as a very young woman. She loved sports which she followed enthusiastically. Her two passions though were swimming and later Schipperkes. Shirley was a veteran swimming official and coach who was active in the sport for well over 35 years. Through those years Shirley worked with the Red Cross swimming program coaching age group swimming. She served on the staffs of 22 National Aquatic Schools planning and teaching the training programs for both new and experienced swimming officials.

Shirley was humbled yet very proud of the recognition and many accolades bestowed upon her including the New York State Distinguished Service Award for the 1988-1989 swimming season. She was also named the 1985-1986 Official of the Year for the Niagara area of U.S. Swimming. In 1988 Shirley was the referee at the National Junior Olympics in Austin, TX, the NCAA Division 2 Championships at the University of Buffalo and the Empire State Games.

Shirley always took responsibility seriously, when she began showing and breeding Schipperkes under the prefix "Logaven", she was truly involved. Shirley promoted the breed but also ensured others could benefit from the dogs and the existence of clubs that served Schipperke enthusiasts. She utilized her wealth of life experience while serving clubs and generously supporting activities. Shirley was a respected and effective President for the Schipperke Club of America and the Erie Canal Schipperke Club, guiding the members through many issues during her tenures with each club. While serving as chair of the SCA Rescue Committee she actively helped many Schips find new homes.

Shirley was many things to many people, but to me she was a very loyal friend. In fact Shirley was family. The dog world has lost one of its greatest advocates, but her friends and family have lost so much more. Thankfully she left a legacy for us all to appreciate and protect.

Brenda Solomon

My Tribute To A Lost Friend

How do you honor someone when they pass on? Someone too young to have died? Someone who had a big impact on your life and your dog showing career?

Do you give the usual background about family? Yes, she came from a very large family of 13 children.

Do you write about her bereaved husband and children? Brenda and Randy just celebrated their anniversary in November. Their children, JD and Kindra, are shaken to their core.

Should I share her many accomplishments? With not enough room to share all; I'll list just a few. A past 4-H leader, Brenda loved importing new breeds to show in AKC and UKC. When she lived near me she had Schipperkes and Belgian Tervurens. Once on the Front Range of Colorado she added Norwegian Buhunds and her current love, Icelandic Sheepdogs.

This lady was a friend to all, with energizer bunny stamina and a constant smile. She encouraged dog show newbies to keep after it, always sharing pointers. She had just received approval to judge with her name tag shortly after Christmas.

She and husband, Randy helped form the Trail Ridge UKC Club, hosting wonderful shows every spring. She would be the first to say SHE did not start the club, others did, but this small dynamo kept all the balls in the air and everyone happy year after year.

Casper was one of her favorite dogs- "The Ghost You Never Saw Coming" is now enjoying fame in Great Britain. He has sired Champions there; she felt great Pride knowing that one of her own won big and made history overseas.

Yet so much was left unfinished with her passing. Helping her daughter train and show her new pup. Upcoming Plum Creek and Colorado Kennel Club shows. A new litter on the way. Their UKC show moving to a new venue.

This is the way of someone living life every day. They move forward and make plans. They make the most of each and every day as though it is their last. In this case, sadly it was.

Her husband, Randy, told me she went her way. No pain. No suffering. Not being a burden to anyone. As always, doing things HER way.

I will not say Goodbye. I will say See ya, because I know she is at the Rainbow Bridge whipping the crew into shape. No more jumping. No more barking. Sit! Stay! Down!! GOOD DOGS!!! There will be fetching and nose work, lure coursing and cuddling. Doesn't that sound Grand?

Brenda Solomon left us because of a brain aneurysm. If you did not know her, you missed out on a great lady. She was full of fun, love and knowledge. Brenda called herself Mama Bear and defended her family from anyone daring to hurt feelings or belittle in any way. Her family life was so very important. Her greatest love was anything to do with dogs, and her family supported her completely.

She leaves behind a huge hole in all our hearts.

Please say a prayer for her family and the dogs she loved.
