Good afternoon!

Please read this email carefully to make sure you receive your CE credits if you plan to attend Jon Goodman's class tomorrow.

1. Attached is a Certificate of Completion. Fill it in completely. If you don't know your license number, [look it up here](#).
2. After the class is over, email your certificate to [CCE@frascona.com](mailto:CCE@frascona.com). \*\*\*IMPORTANT\*\*\* You MUST title the subject line exactly as follows: 2021 Kristeen Danburg FA100075416. Just replace her name and license number with yours.
3. There is a charge to take the class only if you would like the CE credit that goes with it. The CE credit is \$40 and will show up on your next monthly bill. Feel free to join at no charge if you don't need the CE Credit. As usual, CE credit requires you to have your camera turned on the entire class. Attendance will be taken throughout the class and if you do not have your video on, you will not receive credit. This is a DORA rule, and it HAS to be followed.

You have one day to have the certificates fully completed and emailed to Frasca using the exact instructions above.

If you have any questions, please give Kristeen a call at 719-661-6426 or email [kristeenremax@gmail.com](mailto:kristeenremax@gmail.com).

Thanks!
