

Weaving Unity Retreat Center and Iona Flores Present

Empowering the Goddess Within Retreat

April 25th - 29th, 2019

Join us for this five-day retreat at Weaving Unity Retreat Center, Boulder Creek, CA in the redwoods of the Santa Cruz Mountains. Facilitating this retreat is Charlynn Atiam (owner of Weaving Unity Retreat Center, Whole-Being Healing (Shamanic, Reiki, crystals, sound, and essential oils), Certified Hand Analyst, & Spiritual/Life Coach) and Iona Flores (Karuna Reiki Master, Quantum Healer, & New Life Coach). We look forward to meeting you and empowering you on your journey of owning *your* Goddess within. This retreat is about self-discovery, empowerment, evolving, loving, and nurturing yourself with other like-minded soul sisters. Here we will embrace our BEING in WHOLENESS as we claim our goddess within who has always been there but now her LIGHT is undeniable.

You will learn to align with your calling, align with your power, and align with your Higher Self. Charlynn and Iona are here to support every one of you who attend this retreat as Soul Family. We are Soul Sisters. We know whoever is being called to attend is brought to us by Spirit. This will be an intimate circle for only 22 of us total. So everyone will be honored and heard. **Retreat Itinerary below.**

Arrival on Thursday between 2-3pm gets us ready for dinner at 4:30 and prepares us for our powerful first night circle with drumming, dancing, and the Circle of Namaste, closing our evening with sacred intentions for our Friday Sweat Lodge.

Our first full day will be a Weaving Unity Sweat Lodge, where we will set powerful intentions to purge the old, empower our Inner Goddess and Rebirth. Our Lodge experience will set the tone for our retreat of truly embodying our Goddess Within. For more details about the Weaving Unity Sweat Lodge please visit weavingunity.com. You can also read of Iona's first experience at this Lodge on her Facebook page: Iona Flores under our retreat info.

Charlynn and Iona are teaching classes and offering healing sessions Saturday and Sunday. Each evening will be circles of sharing, empowerment, and lifting ourselves to our next personal level of consciousness. We are in a time to profound shifts and gathering together helps each of us to rise up and merge with our SOUL SELF that we may claim our Divinity here on Earth.
