

MOUNT AIRY CANDLE CO.

LOOK BOOK

Mount Airy Candle Company began as a simple desire to create hand poured and uniquely scented candles as gifts for loved ones during the holidays of 2018.

Since 2019, we have operated as a Black-owned small business right from the heart of the Mt. Airy section of Philadelphia. With our flagship studio opening in 2023, we continue to expand our presence across the Greater Philadelphia region with retail partnerships in East Falls, Chestnut Hill, the Main Line, Old City, Swarthmore and New Jersey (Collingswood & Cape May).

We truly believe in the power and magic of scent and take pride in creating unique scent curations for every season and occasion.
