HIGHLIGHTS PROGRAMS & ACADEMICS

STEM PROGRAM

BG students show an overwhelming enthusiasm for STEM-related topics and recently experienced a live communication with astronauts at the International Space Station.

ARTS PROGRAM

Our Art Studios are open spaces where students expand their creativity and build technical skill in drawing, painting, sculpture, pottery, and photography.

BAND PROGRAM

BG is home to a full marching band, who showcase their spirit at halftime shows, as part of a state ensemble, and have been featured on national television.

ROBOTICS TEAM

Team 811 are BG's FIRST Robotics team, who compete in local, state, and national competitions. Students gain hands-on experience as they design and build robots.

ATHLETICS

BG is home to 35 athletic teams, competing mostly at Division 1 level. Individuals and teams often achieve State Championships.
