## Our Mission

Our mission is to provide a Christ-centered education that challenges students to think critically. The school's goal is to glorify God through its programs. The key aspects of our mission are Education, Community, Service, and Worship.

## Our Diversity

We admit students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school.

## Our Values

Creekside is an independent, non-denominational school with a Christian foundation. The school believes in the importance of regeneration by the Holy Spirit and salvation through faith in Christ. The school strives to instill a mindset of strength and courage in students.

## Kingdom Education

We aim to lead students to a personal relationship with Jesus Christ, fostering biblically based relationships, challenging their God-given capabilities, and responsibly managing resources according to biblical principles.
