New Interests and Challenges

Our Middle School curriculum is designed to challenge our youngest students to explore, discover, and cultivate new interests.

World Languages

Exposed to the World Languages of Spanish, French and Mandarin

Enrichment Program

Middle School students participate in enrichment programs in the arts and STEM beyond what they taught in the classroom.

- #62 . Rutgers University
- #64 . University of Massachusetts – Amherst
- #70 . George Washington University

The Knox School Mission

To provide the opportunity for capable students to excel within a liberal arts program infused with artistic and athletic pursuits, in preparation for higher education at selective colleges and universities.

Purpose

To inspire in each student a love of learning and the desire to continually develop the skills necessary to lead happy, confident, and successful lives in a complex and changing world.

Philosophy

A diverse student body within a traditional, structured, and familial atmosphere will experience academic, intellectual, and character development while celebrating individual strengths and talents.

Greetings! You are about to make one of the most important decisions of your lives – choosing a private school that will provide you with the best opportunities for success in college and beyond.

Founded in 1904 by Mary Alice Knox, The Knox School is the oldest established private school on Long Island, in New York. Today, Knox is a co-educational boarding and day school for grades 6-12 where the total well-being of every student is our
