HIGHLIGHTS PROGRAMS & ACADEMICS

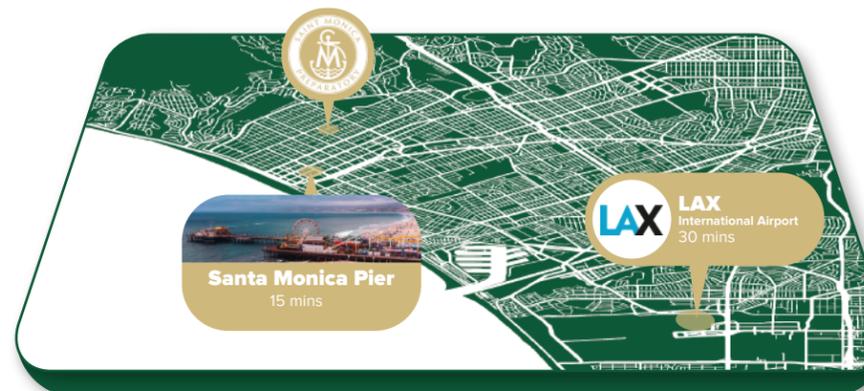

Pathways Program 

The SMPrep Pathway Programs represent distinctive offerings within the SMPrep curriculum, encompassing tailored courses in the domains of Computer Science & Engineering, Entrepreneurship and Visual Media & Performing Art.

Mariner Ocean Research Institute (MORI)

MORI students carry out multi-year, collaborative research projects that are presented to the scientific community.

Typically, a student will begin research as an apprentice during their freshman or sophomore year and become a lead researcher by time of their graduation.
