Summer School Reminder

At parent teacher conferences, every family in grades K-8 was given a letter with teacher recommendations for summer school. It is our hope that having that information early this year was helpful to your family in making plans for the summer.

Please keep in mind that for students for whom summer school was “REQUIRED”, students are expected to attend 90% of summer school classes. This means that they may only miss two days the whole summer. In the past, our team has been able to be very flexible with summer school attendance. However, due to some changes in Indiana law, we are required to hold this expectation rigidly. Students who are marked as “REQUIRED” attendance must be at summer school on time every day for the summer session.

If your child was marked as “recommended” or “encouraged,” we ask that you please communicate when your child will be absent as a courtesy to our teachers and staff.

Summer school enrollment is open through the end of the month. If you have any questions about your student’s summer school status, please feel free to call the school office. We appreciate your parent partnership in making sure our students in need are supported in their learning this summer.

Calendar Notes

Saturday, May 17
Girls on the Run Race Day

Sunday, May 18
Confirmation Mass

Monday, May 19
