## Dismissal Note

Our dismissal team would like to pass on their gratitude for the outstanding flexibility and patience demonstrated by our school community on Wednesday afternoon. When one of our parents had trouble with their car, our community stepped up by patiently re-routing dismissal in the moment, ensuring students were safely in their cars, and even helping to get the motorist in need moving again. Thank you for supporting our dismissal team in keeping things moving quickly and safely.

## Progress Reports

Teachers have been hard at work preparing progress reports for parents. Please be sure to look them over, then sign and return them to the school office. If you have any questions or concerns, please feel free to call the school office.

## Parent Survey

In today's Friday Folder, you will find a pink parent survey. Please take a few minutes to fill it out this weekend and return it Monday. Families who return the pink paper filled out will be allowed a free dress down on Monday, May 11th. Please keep in mind that parent surveys are anonymous and help us to understand how to be better partners moving forward. We appreciate your feedback.

## Calendar Notes
