

Remote Learning Plan for 4th Grade

June 1 - June 3, 2020

Notes from Mr. Clark:

1. Well.... This is it! Last week of these crazy at home assignments (for this year at least)!
2. I put a lot of videos out there for you. They are there to help you read and understand Despereaux and also to help with the math problems that people are having trouble with. Go into Google Classroom and Classwork. There you will see a Reading and a Math Topic. The videos and quizzes are in those topics. If you want to watch them but can't find them or they won't play, please let Mrs Mason and me know via email.

	Monday	Wednesday	Friday
Reading and LA	<p>Log into Google Classroom and update the spreadsheet with your book and page number</p> <p>Read your own book for <u>at least</u> 40 minutes each day (both Monday and Tuesday). When you finish a book, take an AR test on the book. https://hosted198.renlearn.com/120285.</p> <p>Finish Tale of Despereaux! (including the Coda)</p> <p>Take the final quiz!</p>	<p>Log into Google Classroom and update the spreadsheet with your book and page number</p> <p>Read your own book for <u>at least</u> 40 minutes each day (both Wednesday and Thursday). I hope you get to see each other and talk and have parties etc. (don't forget to invite me! haha)</p> <p>Each one of you has so much potential to do good in the world - I hope you use it!</p> <p>One good way to begin would be to get a whole bunch of books and read them this summer!</p>
Math	<p>Finish all math homework from previous weeks and text it to me.</p>		
OTHER	<p>Fine Arts:</p>	<p>Religion:</p>
