Memorial Day Parade

Many thanks to the great number of parents, students, and familie who joined us to walk in the Memorial Day parade this year! Our school and parish was represented well and we are so thankful for your strong partnership!

Summer School

Summer school is set to begin on Wednesday, June 10th. While not all Saint Adalbert students are required to attend, all are invited to join us. Please keep in mind that if your child was REQUIRED to attend, this decision was made based on them being far behind grade level and being in extreme need for academic remediation in order to start next year from a place of strength. Attendance for REQUIRED students is NOT OPTIONAL. We understand that summer attendance can be tricky to manage for families, this is why we are intentional about notifying families in March at parent conferences if their child is potentially going to need this support. We want all of our families to have time to plan for transportation and to set summer trips around this schedule and endeavor to be proactive in planning. We also regularly review these recommendations through the spring. If you have questions or concerns about your student's summer school recommendation, please call the school office. We appreciate your partnership in supporting your child's academic success.

Field Day

We are so excited to announce that field day this year for grades K-8 will be held at the Kroc Center on Tuesday, June 2nd. Please be sure to return your child's permission slip. In order to help facilitate safe supervision of all students, we will need them to wear their St. Adalbert gym shirts. Please also consider comfortable shoes for running and playing. We will end the day at 1:00 in our school parking lot with a Spray and Play from the South Bend Fire department. Please keep in mind that when you pick your child up, they may be very wet. We will dismiss students at 2:00 pm. Dismissal that day will happen outside. Your patience is much appreciated.
