Reading  Lectura	<p>Last week you decided what superpower you would rather have and gave reasons why. You are going to use that information to write a persuasive essay trying to convince someone that the superpower you chose was better. See google classroom for all the details. This is your reading activity for all week. You have all week to work on the essay. Your essay will be typed as a google doc that you share with Ms. Bogol.</p> <p>Make sure you read over your writing to fix any mistakes. Indent your paragraphs. Follow all the directions.</p>	<p>Last week you decided what superpower you would rather have and gave reasons why. Math Matematicas	<p>Circle work on google classroom</p>	<p>Watch Ms. Bogol's video about converting measurements. Make sure to watch it all the way through and answer the practice problems in your notebook. Send your answer to the practice problems found in the video to Ms. Bogol on Remind or email.</p>	<p>Converting measurement work on google classroom.</p> <p>IXL 5th grade math Z.2 to a smartscore of 50</p>

<p>Fine Arts ARTE</p>	<p>Hello artists! I miss seeing you. "Point of View"  <a href="https://www.youtube.com/watch?v=XaP-t5fZNbE">https://www.youtube.com/watch?v=XaP-t5fZNbE</a>          Enjoy!</p>		
<p>Other OTRO</p>	<p><b>Religion (optional):</b>          Hi everybody! I miss you all, and I hope you are doing your best in your studies! I admire your <b>Fortitude</b> (the virtue of staying strong even when there are obstacles) during these odd times. Think of these difficult times as an opportunity to practice <b>Fortitude</b>—you can do this!          Your enrichment assignment this week: Make a list of <b>at least 5</b> things you like about yourself (you can write more if you like!). Then, write or say a prayer thanking God for giving you these gifts—make sure you thank God for each one individually! If you want to go further, ask God to show you how you can use your gifts for others. You are a gift to your families, to us, and to the world!</p> <p>In Christ, Mr. Munsen</p>	<p>Social Studies: longitude and latitude work on google classroom</p>	<p>Social Studies: longitude and latitude work on google classroom using red social studies book pages R4-R5 in the back of the book. Remember to follow the curve of the lines of longitude.</p>
