Don't be sad. We'll have them again next week. I hope you take advantage of the extra time you'll have to get caught up on work from Weeks 6 and 7. There are many missing assignments. It's great to see that many of you are doing the Fill-in notes, but it's the practice pages you are getting points for. Submit your great practice by the due dates to earn 3 pts. for your House. Remember, we are no longer accepting assignments 1-5.</p> <p>For today, do some practice on iXL.com, FF. 2 – 6. Make sure you study the examples carefully for the ones you miss. For many of you, the Mid-topic checkpoint is past due. Complete that first if you haven't already.</p> <p>This week, continue to read pages 144 - 149, sections 3 - 9 and complete the questions posted on Google Classroom. Many of you have not completed the questions for sections 1 and 2. Please do that quickly. Submit the answers to me by Friday 5/15.</p>	<p>Complete the Mid-topic Performance Task on page 412. Submit to me by Friday May 15<sup>th</sup>.</p>	<p>Mid-topic 7 Quiz will be posted on Google Classroom. Complete this and submit to me by Sunday, May 17. Please write your responses neatly and thoughtfully. I realize it is challenging to show your work, but it will be necessary to get full credit.</p>
