video about a saint who is a little bit different than many other saints—**Saint Isidore!**

I won't spoil *how* this saint is different from other saints, though! Watch this video to find out:

(You might notice a cameo appearance from another saint we studied!)

When you think you've figured it out, send me an email at nmunsen@stadalbertschool.org telling me how you think this saint is different from many other saints.

Saint Isidore, pray for us!

In Christ,
Mr. Munsen
