E-Learning Day Monday, March 16th!!!

All assignments will be sent and returned via Remind from your child's teacher.

Our last E-Learning day was a huge success due to our strong parent partners and hard working teachers. Let's work together to make this another great win for our students!!!

Conferences

Parent Conferences are next week, Wednesday and Thursday (March 18 & 19). Our office team has prepared a reminder sheet for each family. They can be found in your Friday Folder this week. If you did not choose a time, one was assigned to you. If for some reason you are unable to attend, please be sure to notify your child's teacher and they will help you reschedule. We look forward to seeing you then!

Enrollment

We invite our parent partners to refer new families to our school. Please keep in mind that parent partners who refer new families will receive two service hours per family they refer. We appreciate your support in keeping our school filled to capacity with great kids and strong parent partners. The more full we are able to keep our school, the more programs and supports we can sustainably offer the children and families we serve. This work of enrollment is our shared work and your word of mouth support makes a huge difference in the life of our school!
