## Remote Learning Plan for <u>7th Grade</u>

## **April 13 - April 17, 2020**

Important Announcement: Before beginning this week's work, please watch a video from your teachers by clicking here: <a href="https://youtu.be/jf19dpU43N4">https://youtu.be/jf19dpU43N4</a>. This video describes our shared expectations as you learn from home. Then, complete the quiz called "Week 4 Video Quiz" on Mr. Miles' science Google Classroom page. This quiz is an assignment and is due by Wednesday at 8 AM at the latest. If you cannot access the quiz, please email Mr. Miles directly.

	Monday	Wednesday	Friday
Reading  Welcome Back! Assignments are posted here and in Google Classroom. Know that I am reading everything that you send and I am keeping track of your assignments in my gradebook. Be sure to see and respond to my comments! I'm looking forward to receiving your good work!  As usual, you can contact me via email at sdean@stadalb ertschool.org.	Finish the novel.  Create a document (or respond in your notebook, take a picture, and send it) and answer the questions:  1. In chapter 35, Moose confronts his mother about Natalie's age. What events lead Moose confronting his mom? In other words, what has happened in the novel (prior to this chapter) to cause him to tell his mom that she can't keep lying?  2. How does Moose challenge authority? Why does he do it? How does it work out? (Be sure to answer all 3 questions.)  Due on Wednesday at 8:00AM	Get your notebook and a pencil and view the video: https://youtu.be/oGCaa8aHoCg  Follow along and take notes as the video directs.  Due on Friday at 8:00AM	1. Go to Google Classroom and complete the form / quiz.  2.Respond to the question below in Classroom or in your notebook (and send a picture):  The idea of imprisonment/being trapped is present in the novel in different ways. How does the author develop this idea? Use details from the text in your answer.  Due on Sunday
Math (Miles) Happy Easter!	Take the review quiz posted on Google	Watch the video on Google Classroom called "Angle	Work on p. 439 #7-12 and check your work using the

Let's have a great start to the week. Begin by reading all directions carefully and email me with any questions you have.	Classroom about expressions and equations. You will record your answers on a piece of paper and email a picture of your answers and work to Mr. Miles by Wednesday 4/15 at 8 AM. For additional practice, work on Week 4 IXL Links #1-3 found on Google Classroom.	Relationships" and read p. 436-437 in your book. Complete #4-6 on p. 438 in your textbook and email a picture of your work to Mr. Miles by Friday 4/17 at 8 AM.	answer key posted on Google Classroom. When you are finished making corrections to your work, take the "Week 4" quiz. This quiz is due by Sunday 4/19 at 8 AM.

Other	Religion: ALLELUIA, HE IS RISEN! HAPPY EASTER!!! I miss you all very much! Here is your enrichment assignment for the week, which I hope you will enjoy Set aside 15 minutes (use a timer, if you can!). Find an adult in your life, and ask them these questions: 1) Tell me about one of your favorite Easter memories. 2) Why is it your favorite? 3) What does Jesus' resurrection mean to you? Feel free to go wherever the conversation takes you—I just want you to have a good conversation about our beautiful faith with a loved one!  Know that I am praying for you and your families! In Christ, Mr. Munsen	Science (Optional): Read about the engineering design process through the link on Google Classroom. Then, read the directions for the engineering design challenge on Google Classroom!
