## Padres Unidos

Our new parent organization is getting ready to hold an open meeting on Monday, September 29th from 7-8pm in the school cafeteria. Please come, learn more about some exciting events being planned for our school community and consider some ways your family can support our school community. We need your help to make our school the strongest community it can be!

## Picture Day

School Pictures will be taken on Monday, September 22nd. All students are allowed to dress out of uniform for free on picture day. Please be sure to fill out the form and send EXACT change in order to order pictures. We will not be able to accept forms after 7:50 on Monday as pictures will have already begun. Keep in mind that the school office is not able to make change as we do not keep cash on hand. So, any money you send over the total for your order will be a donation to Lifetouch.

## We Need Your Help

We are in need of a few parents to help serve our students lunch from 10:30-12:30 each day. Unfortunately, if we are unable to find some volunteers to support Mrs. Maria in this important work, we risk losing our school lunch program. Please consider volunteering for this vital role. If you would be willing to help, please call Ms. Patty in the school office.

## Drop off and Pick Up

We are having some issues with parent parking on Grace Street at drop off in the morning. Sadly, we did experience yet another near accident this week with a child crossing Grace because their caretaker did not go through the car line. It is vital to your child's safety that you follow drop off procedures. Please prioritize the few minutes it takes to either go through car line or park in the Olive Street lot and walk your child to the door. In addition to the safety risks to your own child, you increase the risk of accidents for other drivers and cause traffic delays for parents following procedure when you park on Grace Street during drop off. We understand that mornings can be hectic and time can be short. We are doing our best to keep drop off and dismissal moving quickly and safely. Your patience is appreciated.

Additionally, we are concerned about the number of parents and caregivers who are texting, Facetiming, scrolling social media, etc as their vehicles are moving at both drop off and pick up. Certainly, we understand checking your phone when waiting in line before dismissal or drop off begins. However, we are asking all drivers to put down their phones as they are driving and loading children on school grounds. Your cooperation goes a long way to ensure the safety of our beloved students and the staff who serve them.

## Calendar Notes

\*\*\* Monday, September 22\*\*  
Dress UP-Free
