Report Cards

Our teachers have been hard at work preparing Report Cards. You can find report cards for students in all grades in today's Friday Folder. Please be sure to look them over and reach out if you have any questions or concerns.

Emergency Contact Forms

In the course of this work, we have found that many of our families have out of date emergency forms with phone numbers and contacts that are no longer valid. We are sending home an extra copy in this week's Friday Folder. Please take some time to fill that out and return it. Be sure to think through who might have your permission to pick up your child or make medical decisions in an emergency when you can not be reached. This form is a crucial piece in our plan to ensure that you are well informed and your child is safe in an emergency situation.

Mobile Dentist Visit

*** **Wednesday, February 5** ***
Dress Down for \$1

This week we kicked off Holy Cross Heritage Month. Be sure to ask your students what they have learned about the Congregation and it's special relationship with our school community this week!

Communication Plan

We want to assure our parents that school administration in working with community partners to develop a plan for communication in the event of immigration raids or activity in the area. We ask that all families review their emergency contact forms and consider who they might add to those lists to come get their children from school in the event of immigration activity in the area. Please know that Saint Adalbert School will work in cooperation with our pastoral staff and community partners to share any information we have about credible activity as well as debunk any confusion or false claims. It is important that we work together to mitigate panic and secure the physical and emotional security of all students. We appreciate your partnership on this front.
