Dear Parents:

1. **The first two days of school have been successful.** I'm so proud of our teachers and students. Yesterday, we had over 20 remote only students logged in live to their classrooms. What a tremendous accomplishment! Thanks especially to Mrs. Mason for her tireless efforts to facilitate our remote only learning. We will continue to work out any kinks in the system - but overall, it went very well. By next week, all teachers will be wearing microphones to fix the audio challenges we faced yesterday for our remote only students.
2. **Welcome to Ms. Laura Magallon.** Ms. Laura begins today as our new chief administrative assistant. She has a wealth of experience and expertise in to our school. We are thankful for her presence and (much needed) help in the office.
3. **Finally,** the class lists are now official and set for the next month. There will be no further changes of students from one session to another. Thank you.

Ave Crux, Spes Unica!

Mr. Joseph Miller  
Principal
