Our tremendous Third Graders are getting ready for spring by growing vegetables and herbs as part of their science curriculum.

## Enrollment

We are looking for a few great parents to partner with us for the 2025-2026 school year. Please keep in mind that your recommendation of our school to other parents is a powerful tool. Current school families who refer a new family will be entered into a gift card drawing. We appreciate any help you can give in spreading the good news about Saint Adalbert. Space is limited so please pass on the word soon before classes fill up!

## Parent Conferences

We want to thank the many parent partners who have already called the office to sign up for a conference. Please keep in mind that conferences are a requirement for all Saint Adalbert families and are an important step in communicating with your child's teacher. If you have not scheduled a conference time, please do so before Thursday, April 20th or one will be scheduled for you.
