Girl Scouts

Many thanks to the families who have called and expressed interest in our Girl Scout Troop. We hope to have more information to those families in the next few weeks. If you have a daughter in grades K-1, we do still have a few spots available. Please call the school office if you are interested.

Fall Festival

Be sure to mark your calendars for the evening of Friday, November 6th. That evening we will hold our annual Fall Festival in the school lunchroom for 6-7pm. The event is an invitation to our community partners to come, meet our school families and see what makes our school community so special. There will be treats and games completely cost free for St. Adalbert School Families. We hope to see you there!

School Parking

Thanks to our hard working Maintenance Team, our school parking lot had a big upgrade this week! In order to continue to increase safety for our staff and students, all of our staff members were assigned parking spaces in the main school lot. This means that, moving forward, parents and guest are asked to park outside the gates when visiting during school hours. Please do NOT park in the spots inside the fence between the hours of 7:00am and 4:00pm. We appreciate your cooperation and patience!
