

# Neighborhood Watch Update

**Are you interested in helping promote the safety and security of our community?** If so, there are several actions you can take:

1. Start with being an **active observer and report** any questionable activities to SAPD and our Neighborhood Watch (email: [neighborhoodwatch@westfloralpark.com](mailto:neighborhoodwatch@westfloralpark.com))
2. **If you have active security cameras or doorbell surveillance equipment, let us know so we can contact you for video recording review if an incident is reported near you (take a few moments to provide us your contact info online @ westfloralpark.com > Committee Info > Neighborhood Watch).**
3. Download the **mySantaAna app** on your smartphone to report issues to the city such as:  

<i>graffiti removal</i>	<i>encampments</i>	<i>code violations</i>	<i>illegal dumping</i>
<i>street potholes</i>	<i>sidewalk defects</i>	<i>street light issues</i>	<i>animal control</i>

We will be working to establish additional communication channels with WFPNA residents to discuss trends/issues and share crime prevention tips. In addition to communicating with the City of Santa Ana via the mySantaAna app, we will also be working more closely with SAPD to form a problem-solving partnership to address any issues that may arise in our community.

Thank you for helping make West Floral Park a wonderful and safe place to live, work and play! Don't hesitate to reach out to us if you have any questions.
