2025 Membership Drive

Building community through your membership donations!

Why join? Building community is about making connections. The West Floral Park Neighborhood Association (WFPNA) has played a significant role in helping neighbors meet and in fostering a stronger community. A stronger community enhances happiness and safety. Each year, WFPNA sponsors free events where neighbors can come together and enjoy. Examples include Flamingo Bingo, Easter Egg Hunt, Shamrocks & Donuts, Neighborhood Tea, 4th of July Parade, Spooky Fest, and Meet the Kringles. And for a nominal cost, neighbors can participate in Wine Night, Summer Social, Oktoberfest & Holiday Party.

Our beautiful neighborhood newsletter features stories about the history of WFP and highlights individuals who have lived or currently live in the neighborhood. We feel more connected learning about our history and finding out about the people who currently live here.

All these activities and communications require funding. This is why donations are requested during our membership drive. Financial support is essential for community-building efforts. Join us this year in contributing to making this year the best year yet to live in West Floral Park.

Pay online at www.westfloralpark.com or send a check with the membership form enclosed in this newsletter. Thank you for helping make West Floral Park a great place to live! Listed below are our 2024 Donating Households who made a difference!
