

*"For you created my inmost being
you knit me together in my mother's womb."*

Psalm 139:13 NIV

Beerlahai Roi Women's Ministries

A Haven for Homeless Pregnant Women

September 2026

Our

Mission:

Offer care and compassion to homeless pregnant women in a safe and loving environment.

Trusting God's Perfect Plan

I am so honored and excited to introduce myself as the new Executive Director of BeerLahai Roi Women's Ministries. As I reflect on how I arrived here, I can't help but smile at the incredible way God has orchestrated every detail.

Through two friends at church, two separate needs and a prayer list, God connected all the pieces together. Praise God from Whom ALL blessings flow!

A little about me – I was born and raised in Southern California as an only child. (My parents are from Illinois but moved out to CA for the Marine Corp and never looked back) I was incredibly blessed to attend Christian Schools growing up and accepted Christ in the sixth grade. My faith has been the foundation of my life ever since and I have had the honor of serving in many different ministries over the past 40 years. Family has always been at the center of my heart and I've always dreamed of being a mom. Life has certainly brought its share of unexpected twists, joys and challenges but through it all God has remained faithful. After 48 years, God moved my 3 children and I to Illinois, close to where my parents grew up! My husband Todd and I will celebrate eight years of marriage in December. Together we have blended our families, sharing five grown children and four precious grandchildren whom we love spending time with as time permits. We also share our little

"farmette" in Buffalo with our dog Tobie and our cat Luci...nearly 20 chickens and neighborhood kitties who always seem to know when dinner is served! I love sewing, crochet, puzzles, camping and of course spending time with family!

I have always had a heart for young mothers and I feel truly honored to serve a ministry whose mission is to offer care and compassion to homeless, pregnant women in a safe and loving environment. I firmly believe that God equips those He calls and I am grateful and confident of His calling!

A fun fact about me is that God granted me my dream job almost 10 years ago as a Flight Attendant for Delta Air Lines. I treasure those memories and am now looking forward to this new and unexpected chapter He has opened.

I want to thank our Board of Directors for welcoming me so warmly and to extend a special thank you to Laura VanProyen for her faithful leadership and the many hours she has spent helping prepare me for this transition. She will be greatly missed! I look forward to meeting many of you in the days to come, serving and watching together as God continues to work in the lives of the women and babies He brings into our care. To God be ALL the glory!

Blessings, Stephanie Little
Executive Director

House Needs:

Baby boy clothes 3-6 months

Laundry soap (Dreft or Free & Clear)

People to make and deliver meals, especially when Nickie comes home with the baby

The girls shared "We LOVE snacks!"

Assistance with landscaping, gutter and weed maintenance.

We would love to see you over on our Facebook page as well as our website.

A Season of Growth for Crystal and Amira

Amira will be 8 months old on September 13th! She has grown and changed so much. Amira now has four little teeth which means she is able to enjoy more solid foods. One of her favorite treats is blueberries, especially blueberry muffins! Amira is crawling now - loves playing patty-cake and clapping her hands. She is also getting used to being in her own class at church. Although she isn't a big fan of naps, she does her best to stay awake so she doesn't miss a thing! Crystal recently started a new job as a housekeeper in a local hotel, and she is really enjoying the independence and freedom that comes with working. When asked how things are going, Crystal shared, "I am focusing on being the best mom I can be!" It was such a treat to have the opportunity to catch up with them and see all the ways they both are growing and thriving!

New Developments on Delaware

There is a lot happening in the house on Delaware Dr. and the residents are settling into a new season together. They have been enjoying Bible study as they continue their journey through the book of Luke and they recently spent some time crafting together.

Nickie continues to work as much as she can as she prepares for the arrival of her baby. She shared, "We love that we can have the freedom to decorate our rooms the way we want to." It has been wonderful to see their creativity come to life as they personalize

their rooms and make the space feel like their own. Of course, Amira continues to be a blessing to everyone around her! She loves hearing her own voice and always seems to have plenty to say. Her sweet personality brings plenty of joy and laughter to the house. We are grateful to see the residents growing, creating and working hard to prepare for their new blessings ahead.

"Prayer Corner" Please pray for:

Nickie, as she prepares to have her baby is having some nausea and not feeling well. The baby is due on 8/27 via planned C-section and she is hoping to be able to stay in the hospital with him. She also requests prayers for God's favor for an upcoming court date in October.

Crystal, her father passed away recently and her mother is battling cancer and not doing well. She is continuing her meetings and counseling sessions which are helping.
