

Girlfriend #3 Part-1 Personal Testimonial

Girlfriend #3 began working for Nygard at his Marina Del Rey ("MDR") property approximately two to three years ago. Girlfriend #3 initially worked for the first one to one-and-one-half years as a bartender and server at Pamper Parties and dinners at the MDR property.

Girlfriend #3 advised that Nygard did not like guests to be intoxicated.

"Management" instructed her during her training not to make drinks too strong, and to serve weaker drinks if someone had too many.

She recalled a time when Nygard himself asked her why a particular guest was drunk, and she told him that that guest had arrived at the party that way, which she said happened on occasion.

Girlfriend #3 told the investigators that Management told Girlfriend #3 that Nygard did not allow drugs. During the time that Girlfriend #3 worked at the MDR property she did not observe any inappropriate behavior.
