PROPOSED AMENDMENT TO THE 1970 ILLINOIS CONSTITUTION

EXPLANATION OF AMENDMENT

The proposed amendment would add a new section to the Bill of Rights Article of the Illinois Constitution that would guarantee workers the fundamental right to organize and to bargain collectively and to negotiate wages, hours, and working conditions, and to promote their economic welfare and safety at work. The new amendment would also prohibit from being passed any new law that interferes with, negates, or diminishes the right of employees to organize and bargain collectively over their wages, hours, and other terms and conditions of employment and workplace safety. At the general election to be held on November 8, 2022, you will be called upon to decide whether the proposed amendment should become part of the Illinois Constitution.

“Shall the limiting rate under the Property Tax Extension Limitation Law for the Forest Preserve District of Cook County, Illinois, be increased by an additional amount equal to 0.025% above the limiting rate for levy year 2020 for the purposes of conserving and restoring land to good health, protecting the water quality of rivers, lakes, and streams, providing natural flood water storage, protecting wildlife habitat, protecting forests to improve air quality, improving and maintaining existing forest preserves and trails of said District, and other lawful purposes of the Forest Preserve District of Cook County, with public disclosure of expenditures, and be equal to 0.076% of the equalized assessed value of the taxable property therein for levy year 2022?”

- (1) The approximate amount of taxes extendable at the most recently extended limiting rate is \$88,665,270 and the approximate amount of taxes extendable if the proposition is approved is \$132,128,637.
- (2) For the 2022 levy year the approximate amount of the additional tax extendable against property containing a single-family residence and having a fair market value at the time of the referendum of \$100,000 is estimated to be \$8.06.
- (3) If the proposition is approved, the aggregate extension for 2022 will be determined by the limiting rate set forth in the proposition, rather than the otherwise applicable limiting rate calculated under the provisions of the Property Tax Extension Limitation Law (commonly known as the Property Tax Cap Law).

Supporting a Lakeview Dog Park

On July 12th, 2019, the Park District approved an application to explore development of a fenced, off-leash dog park and proposed a site the size of 2 tennis courts where Briar Pl. runs into Inner Lake Shore Dr., currently a grassy area by an on-ramp. Since that time, the Lakeview Dog Park Council incorporated as a non-profit to advance the process. The Council has completed all necessary steps and collected over 5000 signatures in support, yet the project has stalled due to lack of support from local elected officials. Should our local elected officials form a public-private partnership with the Lakeview Dog Park Council and the Park District to advance to construction of the park in 2023 at the site proposed by the Park District?
