- 2) If it is necessary to displace bargaining unit members, volunteers shall be sought first.
- 3) If the number of positions to be eliminated exceeds the number of voluntary transfers, the bargaining unit member(s) with the least seniority, as determined by the District Seniority List, shall be displaced until the number is met.
- 4) For two (2) successive years after a bargaining unit member is displaced, the bargaining unit member shall have the "right of first refusal" to transfer back if positions become available at the site from which the bargaining unit member was displaced. If multiple bargaining unit members were displaced from the same site, the District Seniority List shall be used to determine the order of who is asked back. This clause shall pertain only to bargaining unit members who have permanent employee status.
- 5) The District shall distribute displacements in successive years as equitably as possible. The parties may mutually agree that members shall not be displaced in two (2) consecutive years.
- 6) Displacements shall be based on the educational needs of the District.
- 7) A bargaining unit member who is displaced shall receive up to two (2) days, or fourteen (14) hours, of time paid at the non-instructional rate for the purpose of new assignment orientation and/or set up.

ARTICLE VII: CLASS SIZE

The District shall establish class size in accordance with Education Code requirements. The District shall maintain target teaching assignments. Homeroom classes of fifteen (15) minutes or less shall not be counted in the target teaching assignment. In the scheduling of classes, the first priority for lower class size shall be given to academic core subjects. The parties agree to work on equitable student/teacher assignments, efficient period allocation, and timely attention to scheduling issues at sites.

- A. The District and the Association agree to the following class size targets:
 - 1) Grades TK-3: average of 24 students and in accordance with Education Code class size requirements.
 - 2) Grades 4-5: target of 32 students with a \$1000 stipend for each student over 32 and shall not exceed 35 students. Stipends will be prorated according to class size.
 - 3) Grades 6-8: target of 35 students/175 total; PE target of 45 students.

- C. Elective classes at the secondary level, such as athletic PE, marching band, tall flags, drill team, may have a higher class size than the target in A. of this Article with the consent of the teaching staff assigned.
- D. The District agrees to assign pupils to classes in such a manner as to nearly as possible equalize the teaching load within grade levels or subject discipline areas.
- E. The MEA president and the Assistant Superintendent for Personnel will schedule a meeting during the first month after school starts, and subsequent meetings as needed, to review staffing with the intent to resolve issues relative to this Article.

ARTICLE VIII: SAFETY

It is understood that safety standards and procedures for enforcement are adequately covered in portions of the government code and shall not be duplicated within this Agreement.

The Moorpark Educators' Association reserves the right to appoint two members to the District Safety Committee.

The District shall make available to teachers copies of laws covering the discipline and rights of pupils. Pursuant to Education Code 49079, the District also shall notify teachers if it has reliable information that students under their supervision have been convicted or disciplined for violent behavior or for the possession of weapons.

- A. The District and the Association have an important interest in providing a safe, healthful working and learning environment for employees and pupils.

In this Article the following definitions apply:

- 1) Workplace – All District property and any place away from the District or where it is visible from the school site and/or District students are engaged in a school related activity.
 - 2) Scope of Employment – Any duties performed as a District employee. Exclusions are: conferences, MEA and District social functions where District students are not present.
 - 3) Reasonable Suspicion – A belief based on objective facts sufficient to lead a reasonably prudent person to suspect that an employee is under the influence of a substance so that an employee’s ability to perform the functions of the job is impaired or so that the employee’s ability to perform his/her job safely is reduced. Reasonable suspicion may result from actual observation of the use or ingestion of a substance by an employee. It may be based on reliable information that the employee is currently using or has recently used or possessed a controlled substance, or open container with alcohol on the job. Reasonable suspicion may result from an observation of physical symptoms such as, but not limited to, slurred speech, red and/or watery eyes, unsteady gait, dilated pupils, or sleeping on the job.
- B. Vaping, smoking, using THC and use of tobacco products shall be prohibited on District property, including District parking lots, and in vehicles owned and operated by the Moorpark Unified School District. This shall apply to all buildings, grounds, and vehicles, as well as employees acting within the scope of employment while off campus.
- C. The District encourages and will reasonably assist any employee with an alcohol or drug dependency to seek treatment or rehabilitation through available health benefits. The District will reasonably accommodate any employee with an alcohol or drug dependency, as long as such reasonable accommodation does not impose an undue hardship on the District. Sick leave and/or contractual unpaid leave may be used by an employee for treatment or rehabilitation of an alcohol or drug dependency by a physician or other professional specializing in such treatment or rehabilitation. An employee may be permitted to participate in out-patient treatment and/or in-patient treatment before a final dismissal.
- D. All employees must notify the Superintendent in within five (5) days of any drug statute conviction or of any under the influence of drugs or alcohol conviction for a violation occurring in any workplace or while the employee is acting within the scope of employment. A conviction includes any finding of guilt, including a no contest plea, or imposition of a sentence by any judicial body.
- E. No employee shall manufacture, distribute, dispense, possess, consume, use, or be under the influence of alcohol or any controlled substance, including THC, in the workplace or

when acting within the scope of employment. Any employee who manufactures, distributes, dispenses, possesses, consumes, uses, or is under the influence of alcohol or other controlled substance, including THC, at any workplace or while acting within the scope of employment or who is convicted of driving under the influence of alcohol or a controlled substance, including THC, with a pupil or another employee while acting within the scope of employment is subject to discipline up to and including termination, even for a first violation depending on the facts of the case.

Mere possession of sealed liquor products in a member's vehicle is not in and of itself a matter for discipline unless otherwise prohibited by law.

The terms illegal drugs and controlled substances include all chemical substances or drugs, including THC, listed in any controlled substance laws or regulations, such as the Federal Controlled Substances Act and California Health and Safety Codes, Sections 11054 to 11058.

The possession or use of prescription drugs under and consistent with the specific directions of a physician, which do not seriously impair the performance of an employee or render the employee unfit to work with children are not prohibited.

- F. The District has the right to search any District property, such as desks, lockers, cabinets, or other property at any time for any reason. However, a bargaining unit member's locked desk may not be searched unless there is reasonable suspicion related to prohibitions concerning drugs or alcohol.
- G. A District official with authorization from the Superintendent or his/her designee may inspect an employee's personal property when there is reasonable suspicion to believe that the employee is in violation of the prohibitions concerning alcohol, illegal drugs, or controlled substances, including THC, and the employee is advised about the reason for the inspection. The employee may request an Association designated representative to be present during the inspection.

An employee's personal property will not be inspected without the employee's consent, but the District may discipline any employee up to and including dismissal if the employee refuses to consent to an inspection after being advised that a refusal to consent subjects the employee to discipline. However, such discipline will not be based solely on such refusal, but shall be based on all the facts of the case.

- H. The District, when there is reasonable suspicion, may request that an employee submit to drug and alcohol testing. Reasonable suspicion normally requires either information from a person who is known and whose credibility can be carefully weighted or another reasonable ground for suspecting that the testing will turn up evidence that prohibitions concerning alcohol, illegal drugs, or controlled substances, including THC, have been violated. A reasonable ground includes but is not limited to the employee appearing to be under the influence of alcohol or drugs, the employee being found in possession of alcohol or suspected controlled substances, including THC, the employee being involved

in an accident whose nature indicates impairment of ability of judgement or the employee being involved in an incident in which a safety precaution was violated or a careless act was performed. The District also may request that an employee submit to drug or alcohol testing when the employee seeks to return to work after being absent for treatment or rehabilitation for alcohol or drug dependency.

An employee is not required to submit to drug or alcohol testing without the employee's consent, but the District may discipline any employee up to and including dismissal if the employee refuses to consent to such testing. No discipline shall be imposed, however, unless the employee is advised about the reason for the testing and the employee refuses to consent to the testing after being advised that a refusal to consent subjects the employee to discipline. However, such discipline will not be based solely on such refusal, but shall be based on all the facts of the case.

Any consent or refusal to submit to the testing shall be in writing. If the employee consents to the testing, the employee also shall authorize in writing the release of the medical information. If the employee consents to the testing but refuses to authorize the release of the medical information, disciplinary action will not be taken because of that refusal. Disciplinary action, however, may be taken based on other available evidence. If the employee refuses to release the medical information to the District, it will not be available to assist the employee in any decision regarding discipline.

The District representative and the Association representative, if requested by the employee, may be present according to the policy and procedures of the lab or clinic and should escort the employee to the independent laboratory and/or clinic.

The independent laboratory and/or clinic requested to conduct any testing shall be instructed to:

- 1) Ask the employee to provide a specimen. Test the specimen for the presence of any prohibited substance.
- 2) Preserve and mark all specimens yielding positive results.
- 3) Return the lab report and any other information showing results to the District with written consent of the employee as specified in Section H. of this Article.

If the first laboratory test shows positive results, the specimen will be tested again using a different test methodology. The employee may be asked to provide an additional specimen under the procedures described above.

Any second test must confirm a positive first test for evidence of alcohol or drug use.

A District representative will attempt to interview any employee where a test shows positive results. The employee will be given an opportunity at such interview to explain the positive test result. If such explanation is satisfactory to the District representative, no discipline shall result from this test.

- I. Testing reports will be treated similarly to other confidential personnel documents which have restricted access.
- J. The District agrees to hold harmless, save and defend the Association and any officer, agent or employee thereof from any and all liability for damages or attorney's fees and costs arising out of any claim against the Association or such person or persons concerning the interpretation or application of these drug testing provisions.
- K. The District and the Association intend that these provisions shall be interpreted so as to give effect to all constitutional and statutory rights of employees, and to provide employees freedom from unreasonable searches.

- 1) Verbal or written warning not to initially be placed in personnel file;
- 2) Meeting with administrator and the unit member followed by a written Conference Summary memorializing the meeting. The Conference Summary will not initially be placed in the personnel file unless further disciplinary action is required;

- A. The Superintendent and the panel may remove a member selected to the Joint Teacher-Administrator Review Panel, and may terminate the selection of a consulting teacher, whenever in the judgment of the Superintendent and the Panel any such member or consulting teacher fails or refuses to perform the required duties faithfully and competently. The Superintendent may remove an administrator from the Panel at his/her sole discretion. A replacement shall be selected as soon as possible consistent with the relevant provisions in this Article.
- B. The classroom teachers selected to the Joint Teacher-Administrator Review Panel and the consulting teachers selected by the Joint Teacher-Administrator Review Panel are not

considered to be either management or supervisory employees for purposes of the Educational Employment Relations Act.

- C. The classroom teachers selected to the Joint Teacher-Administrator Review Panel and the consultant teachers selected by the Joint Teacher-Administrators Review Panel shall have the same protection from liability and access to appropriate defense as other employees acting within the scope of employment under relevant provisions of the Government Code.
- D. The Panel's selection procedures, activities, criteria, or selection and its judgements regarding the selection of consulting teachers shall not be subject to the grievance procedure. Any exercise of discretion by the Superintendent, or designee, permitted by this Article shall not be subject to the grievance procedure. Only provisions I. and J. are subject to the grievance procedure of the Agreement.
- E. For the first two years of implementation of the PAR Program, this article shall be reviewed annually upon request by either party. Modifications to the article shall be made by mutual agreement of the parties.

ARTICLE XII: PERSONNEL FILES

- A. Pursuant to Education Code Section 440311, information of a derogatory nature shall not be entered or filed unless and until the unit member is given written notice and an opportunity to review and comment on the information. A unit member shall have the right to enter and have attached to any such derogatory statement, his/her own comments thereon, as the sole remedy. Derogatory materials which might serve as a basis for adversely affecting an employee's employment status must have been placed in the official personnel file of the employee pursuant to this provision. An employee, at the employee's request, shall receive reasonable released time to review, inspect or examine any material to be placed in the employee's personnel file. The review, inspection, or examination shall take place during normal business hours. The employee shall not have the right to inspect personnel records at a time when the employee is actually required to render services to the district.
- B. Among the expected types of material to be placed in unit members' files are evaluations, observations, copies of contracts, transcripts, record of assignments, certifications, and other documents related to knowledge, skills, and abilities.
- C. No complaint shall be placed in the official personnel file of a bargaining unit member without their knowledge.
- D. A member of the unit shall have the right to authorize, in writing, an attorney or representative to examine those parts of his/her personnel file which such employee has a right to examine and shall obtain one copy of the items at no expense.

- E. The District acknowledges that Education Code Section 44944 in part, requires that no decision relating to the dismissal or suspension of any certificated employee shall be based on charges relating to matters occurring more than four years prior to the filing of the notice proposing the discipline, except in one of the following circumstances:
- 1) Testimony or evidence regarding allegations of behavior or communication of a sexual nature with a pupil that is beyond the scope or requirements of the educational program, which may constitute misconduct, or an act described in Section 212.5, but not amounting to conduct described in clause (ii), may be introduced in a disciplinary proceeding based on similar conduct, where such allegations have been substantiated through an investigation or proceeding, or for which the employee was subject to discipline or other form of penalty.
 - 2) Testimony or evidence regarding allegations of an act described in Section 288 of the Penal Code with respect to a pupil of any age, Section 288.3 of the Penal Code, Section 44010 of this Education Code Section 44944, or Sections 11165.2 to 11165.6, inclusive, of the Penal Code may be introduced in any disciplinary proceeding.

ARTICLE XIII: LEAVES

Leaves are defined as authorized time away from work and may be with or without pay as specified herein.

Section 1. Personal Illness and Injury Leave

- A. Full-time unit members shall be entitled to ten (10) days leave with full pay each year during the term of this Agreement for purposes of personal illness or injury. Unit members who work less than a full-time day shall be entitled to that portion of the ten (10) days leave as the number of hours per week of scheduled duty relates to the number of hours of scheduled duty per week for a full-time certificated member in a comparable position.
- B. Unused sick leave shall accumulate from year to year.
- C. Members of the bargaining unit must notify the District of absence as soon as the necessity to be absent becomes known to the employee, preferably not later than six o'clock (6:00) a.m. of the day of the absence. The employee shall notify the District by calling the District office or by utilizing the District designated absence management system.
- D. A unit member who is absent for one-half day or less shall have deducted one-half day from the accumulated leave; and if the absence exceeds more than one-half day, up to one full day shall be deducted from accumulated leave.

E. Extended Sick Leave (Education Code sections 44977 and 44978.1)-Effective January 1, 1999:

During each school year, when a member of the bargaining unit has exhausted all available sick leave, including all accumulated sick leave, and continues to be absent from his or her duties on account of personal illness or accident for an additional period of five school months, whether or not the absence arises out of or in the course of employment, the amount deducted from the salary due him or her for any of the additional five months in which the absence occurs shall not exceed the sum that is actually paid a substitute employee employed to fill his or her position during his or her absence or, if no substitute employee was employed, the amount that would have been paid to the substitute had he or she been employed. The bargaining unit member shall provide the District with medical verification of the personal illness or injury upon request. Such verification shall be signed by a licensed physician of California.

For purposes of this provision, sick leave, including accumulated sick leave, and five-month period shall run consecutively. An employee shall not be provided more than one five-month period per illness or accident. However, if a school year terminates before the five-month period is exhausted, the employee may take the balance of the five-month period in a subsequent school year. The District may require a physician's certificate to verify an employee's illness and/or recovery sufficient to permit performance of his/her contractual duties before the employee may return to duty.

In accordance with FMLA Section 825.213, if a member does not return to work following medical leave for a reason other than:

- 1) the continuation, recurrence, or onset of a serious health condition which would entitle him/her to medical leave; or
- 2) other medical circumstances beyond his/her control, the member shall be required to reimburse the District for health insurance premiums paid on his/her behalf during the leave.

F. Exhaustion of Extended Sick Leave

When a member of the bargaining unit has exhausted all available sick leave, including accumulated sick leave, and continues to be absent on account of illness or accident for a period beyond the five-month period provided immediately above, and the member of the bargaining unit member is not medically able to resume the duties of his or her position, the member shall, if not placed in another position, be placed on a reemployment list for a period of 24 months if the employee is on probationary status, or for a period of 39 months if the employee is on permanent status. The 24 month or the 39 month period shall commence at the expiration of the five-month period of partial paid sick leave or at the expiration of any unpaid leave granted by the District.

When the unit member is medically able, as determined by a physician selected or agreed to by the District, during the 24 or 39 month period, the member shall be returned to

employment in position for which he or she is credentialed and qualified. If the member does not return to work during the 24 month or 39 month period, the member shall be taken off the reemployment list and shall have no further reemployment rights in the District. If the District selects a physician, the District shall pay all professional fees for the medical exam and report.

Section 2. Bereavement Leave

A unit member shall be entitled to a maximum of three (3) days of leave of absence, or five (5) days of leave of absence if out-of-state travel is required, on account of the death of any member of the unit member's immediate family. Such days are in addition to personal illness and injury leave, and shall be granted without loss of salary. The term "immediate family" shall mean the mother, mother-in-law, father, father-in-law, grandmother, grandfather, or a grandchild of the employee or of the spouse or registered domestic partner of the employee, and the spouse, registered domestic partner, son, son-in-law, daughter, daughter-in-law, brother, brother-in-law, sister, sister-in-law of employee, or any relative living in the immediate household of the employee. The Superintendent within his/her discretion may grant bereavement leave on account of the death of an individual not in the unit member's immediate family, but such additional bereavement leave shall be limited to the former guardians of the employee.

Section 3. Leave for Pregnancy Disability

Unit members are entitled to use sick leave for disabilities caused or contributed to by pregnancy, miscarriage, childbirth, and recovery therefrom on the same terms and conditions governing leaves of absence from other illness or medical disability. Such leave shall not be used for child care, child rearing or preparation for child bearing, but shall be limited to those disabilities as set forth above. The length of such disability leave, including the date on which the leave shall commence and the date on which the duties are to be resumed, shall be determined by the unit member and the unit member's physician and approved by the Superintendent. The District management may require verification of the extent of the disability through a physical examination of the unit member by a physician appointed by the District. Unit members are entitled to leave with pay as specified in Section 1.G. for disabilities because of pregnancy, miscarriage, childbirth or recovery therefrom when sick leave has been exhausted. The date on which the employee shall resume duties shall be determined by the employee's physician and approved by the Superintendent. The District management may require a verification of the extent of disability through a physical examination of the employee by a physician appointed by the District.

The unit member on leave for pregnancy disability shall be entitled to return to a position comparable to that held at the time the leave commenced.

Section 4. Child Bonding/Parental Leave

- A. The District shall grant child bonding/parental leave in accordance to child bonding under CFRA (effective January 1, 2016) and/or parental leave under EC Section 44977.5 (effective January 1, 2017).

- B. New mothers are eligible to begin child bonding/parental leave upon a medical return to work document following pregnancy disability leave.
- C. When both parents are employees of the District, the District shall limit the period of bonding leave to twelve (12) total workweeks to be shared between the two (2) parents.
- D. Where allowable by law, FMLA and CFRA leave shall run concurrently with all available leaves.
- E. One year's increment of seniority shall be granted if the unit member has worked seventy-five percent (75%) or more of the school year.
- F. In accordance with FMLA Section 825.213, if a member does not return to work following pregnancy disability and/or child bonding/parental leave, or other medical leave for a reason other than: (1) the continuation, recurrence, or onset of a serious health condition which would entitle him/her to medical leave; or (2) other medical circumstances beyond his/her control, the member shall be required to reimburse the District for health insurance premiums paid on his/her behalf during the leave.
- G. Unit members are highly encouraged to meet with the Personnel Office at least 30 days prior to taking pregnancy disability and/or new child bonding/parental leave to clarify leave entitlements and timelines under current law.

Section 5. Leave Without Pay for Child-Bearing Preparation, Child Rearing, and Adoption

- A. Leave without pay or other benefits may be granted to unit members for preparation for child bearing, for child rearing and for adoption. The unit member shall request such leave as soon as practicable, but under no circumstances less than twenty (20) work days prior to the date on which the leave is to begin. Such request shall be in writing and shall include a statement as to the dates the unit member wishes to begin and end the leave without pay. The determination as to the date on which the leave shall begin shall be the unit member's decision.
- B. The duration of such leave shall consist of no more than twelve (12) consecutive months and shall automatically terminate on June 30 in the school year in which such leave is granted. An extension of leave may be granted, not to exceed an additional twelve (12) months at the unit members request.
- C. There shall not be a diminution of employment status for child bearing or child rearing except that no person shall be entitled to compensation. Nor shall the time taken on parental leave count toward credit for probationary teachers in earning tenure status. One year's increment and seniority shall be granted if the unit member has worked in paid status seventy-five percent (75%) or more of the school year.

- D. If a unit member is on leave for child bearing or child rearing and in the event of a miscarriage or death of a child subsequent to childbirth, the unit member may request an immediate assignment to a teaching position. If there is a vacancy for which a unit member is qualified, the District shall assign the unit member to a position as soon as practicable.
- E. A returning unit member shall be assigned a position comparable to that held before leaving.

Section 6. Industrial Accident Leave

Unit members shall be entitled to industrial accident leave according to the provision in Education Code Section 44984 for personal injury which has qualified for workers' compensation under the provisions of workers' compensation law and regulations. Such leave shall not exceed sixty (60) days during which the schools of the District are required to be in session or when the unit member would otherwise have been performing work for the District in any one fiscal year for the same industrial accident.

The District has the right to have the unit member examined by a physician designated by the District to assist in determining the length of time during which the teacher will be temporarily unable to perform assigned duties and the degree to which a disability is attributable to the injury involved. For any days of absence from duty as a result of the same industrial accident, the unit member shall endorse to the District any wage loss benefit check from the State Compensation Fund which would make the total compensation from both sources exceed 100% percent of the amount the employee would have received as salary had there been no industrial accident or illness. If the unit member fails to endorse to the District any wage loss disability indemnity check received on account of the industrial accident or illness as provided above, the District shall deduct from the unit member's salary warrant the amount of such disability indemnity actually paid to and retained by the unit member.

Section 7. Legal and Civic Duties

- A. The District agrees to grant to members of the bargaining unit called for jury duty or as a witness in the manner provided by law, other than as a litigant, leave of absence without loss of pay for time the employee is required to perform jury duty during the employee's regularly assigned work days and hours.
- B. Employees so called for jury duty or as a witness, must notify the District of service date(s) upon receiving said notice from officers of the Court. The District shall pay the unit member the difference, if any, between his/her regular rate of pay and the amount received for jury duty, less meals, travel and parking allowances. Employees are required to return to work during any day in which jury duty services are not required. The District may require verification of jury duty time prior to or subsequent to providing jury duty compensation.

Section 8. Sabbatical Leave

After completing seven (7) school years of service, a unit member shall be eligible to apply for a leave of absence not to exceed a one-year period, or leave of absence in separate six-month periods or separate quarters, provided that such is commenced and completed within a three-year period. Applicants for sabbatical leave shall file a request with the Superintendent at least ninety days prior to the beginning of the period for which sabbatical leave is requested.

Subsequent to the Superintendent's recommendation, the Board of Education may grant leave based on the benefit of the proposed leave to the educational process with an attempt to allow at least one (1) a year. Unit members on sabbatical leave shall receive at least one-half of the salary they would have been paid during the period of leave, and the appropriate salary schedule placement which would have been granted had the unit member not been on leave. Seniority credit will be granted to those on leave. The unit member shall be entitled to return to a position comparable to that which was held at the time of granting of leave. The terms and conditions of the leave shall be mutually agreed upon in writing.

Section 9. Personal Necessity Leave

- A. Any days of leave of absence for illness or injury allowed pursuant to Education Code Section 44978 may be used by the employee, at his or her election in cases of Personal Necessity. Member shall not be required to secure advanced permission for leave taken for any of the following reasons:
 - 1) Death or serious illness of a member of his or her immediate family;
 - 2) Accident involving his or her person or property, or the person or property of a member of his or her immediate family.

- B. A unit member may elect to use earned and accumulated sick leave days for up to seven (7) days of personal necessity leave per school year for personal necessity which cannot be attended during the non-working hour of the employee, including religious holiday observance. Not verification of purpose shall be required except that the unit member shall identify the type of leave requested. Unit members shall request such personal necessity as soon as possible and no later than two (2) days prior to the beginning of the work shift in which the leave is requested.

- C. Personal Necessity Leave listed in Section 9. A. and B. may not be used for:
 - 1) Vacations,
 - 2) Recreation pursuits,
 - 3) Social events (except weddings, graduations, and religious ceremonies of immediate family members),
 - 4) Political activities (including strikes, demonstrations, picketing, and lobbying),
 - 5) To pursue employment,
 - 6) Or earn income.

In requesting and utilizing Personal Necessity Leave, the unit member is certifying that utilization of the leave is consistent with the criteria listed in Section 9. Personal Necessity Leave. Based on reasonable suspicion, the District has the power and duty to review the stipulations of bona fide need for personal necessity by the unit member. For purposes of this section, “reasonable suspicion” means that there is a demonstrable reason to doubt the authorized use of Personal Necessity Leave.

- D. ***Non-Permanent Members:*** Unit members who have not reached permanent status may not elect to use Personal Necessity Leave in advance of the time that sick leave has actually been earned and/or accumulated.
- E. ***Priority for Substitute Coverage:*** The District priority in providing substitute coverage is to cover for teacher absences due to contractual leaves. Requests for approved school business and conferences may be denied if a sufficient number of substitutes are not available.
- G. The parties agree and understand the importance of honoring the intent and language of Personal Necessity Leave. Misuse of Personal Necessity Leave may result in disciplinary action.

Section 10. Other Leaves Without Pay

Leave without compensation, increment, seniority, or tenure credit may be granted for a period of one (1) school year for the following purposes: Peace Corps service, care for a member of the immediate family who is ill, service in an elected public office, or professional study or research. Upon recommendation of the Superintendent and approval of the School Board, leave without compensation, increment, seniority, or tenure credit may be granted for any other personal reason. The application for and granting of such leave of absence shall be in writing.

Section 11. Leave Without Pay As Authorized by the Superintendent

A unit member may request a day of leave of absence without pay from the Superintendent up to a maximum of four (4) days in a school year for important life cycle events. Any such request must be submitted in writing at least five (5) days in advance to the Superintendent except that this requirement may be waived by the Superintendent in cases of emergency. The request must state the reason for the requested unpaid leave of absence.

Section 12. Military Leave

Military leave shall be granted by the District to employees pursuant to Education Code 44800 which states in part that:

- A. Every person employed by a school district as a probationary or permanent employee in a position requiring certification who enters the active military service during any period of national emergency declared by the President or during any war in which the United

States is engaged, shall be entitled to absent himself from his duties as an employee of the district.

- B. Within six months after the employee honorably leaves the military service or has been placed on inactive duty he shall be entitled to return to the position held by him at the time of his entrance into the military at the salary to which he would have been entitled had he not absented himself from the service of the school district.

Section 13. Late Arrival

A principal may determine that an absence by a unit member of less than an hour at the beginning of the workday due to an unanticipated emergency may be processed as an unpaid hour of absence rather than a half-day absence.

Section 14. Family and Medical Leave

It is understood that the District is required by law at the present time to implement the Family & Medical Leave Act of 1993 and the California Family Rights Act of 1991. The District may adopt a new policy implementing the federal Family & Medical Leave Act of 1993, and the California Family Rights Act of 1991, as long as such policy is consistent with applicable law. Such policy shall provide to registered domestic partners those rights provided by law. Where allowable by law, FMLA and CFRA leave shall run concurrently with all available leaves.

Section 15. Catastrophic Leave Program and Catastrophic Leave Bank

A. Definitions

- 1) A “catastrophic illness” or “injury” shall be defined as an illness or injury that is expected to incapacitate the employee for an extended period of time, or that incapacitates a member of the employee’s family, such that the incapacity requires the employee to take time off from work for an extended period of time to care for that family member. Key to this definition is that taking time off from work creates a hardship for the employee because he/she has exhausted all of his/her sick leave and all other fully paid time off.
- 2) “Members of the employee’s family” shall be limited to the spouse/registered domestic partner, children, son/daughter-in-law, brother/sister, father/mother, grandfather/grandmother, grandchild of the employee/spouse/registered domestic partner, or any relative living in the immediate household. [Ed. Code 44043.5(a)1]

- B. The intent of this particular leave is to provide unit members economic relief for devastating health circumstances per injury or illness. Catastrophic leave may not be used for:

- 1) Elective surgery,
- 2) Personal necessity leave,
- 3) Normal pregnancy,
- 4) Substance abuse rehabilitation,
- 5) Bereavement,

- 6) Chronic illness or conditions,
 - 7) Any leave for which the member has applied for workers' compensation.
- C. From the first teacher workday until September 30 of each school-year, there shall be an open enrollment period during which any certificated employee with no fewer than ten (10) accumulated sick days, may choose to join the Catastrophic Leave Bank by donating one (1) day of sick leave to the Catastrophic Leave Bank. In each subsequent year after the employee's initial enrollment, each member of the Catastrophic Leave Bank shall be required to donate an additional one-half ($\frac{1}{2}$) day of sick leave to continue membership in the Catastrophic Leave Bank and to be eligible for requesting days under the Catastrophic Leave Bank language. All unit members shall complete the Catastrophic Leave Bank Donation Form indicating whether they choose to donate their leave to the bank or choose not to make a donation to the bank and submit it to the Personnel Office no later than September 30 of each school year.

At the beginning of each new school-year, The District shall send a Catastrophic Leave Bank Donation Form to all certificated employees requesting a donation of one (1) sick day to join the Catastrophic Leave Bank or one-half ($\frac{1}{2}$) day to remain a member in good standing of the Catastrophic Leave Bank. The written authorization of the donation shall acknowledge that the donor understands that any and all donated sick days are irrevocable, will not be available for certification to CalSTRS, and can result in a reduction of service credit that would otherwise be available. The donor also agrees to hold harmless the Moorpark Unified School District and the Moorpark Educators Association for any and all effects the donation may have on future CalSTRS calculations.

- D. A certificated employee who is a member of the Catastrophic Leave Bank may request up to fifty (50) additional days of sick leave from the Catastrophic Bank in any twelve (12) month period as a result of catastrophic illness or injury. An employee may only request these additional days, under this program, once every three (3) years. Catastrophic leave is not applicable to injuries/illnesses covered by Workers' Compensation.

Whenever possible, a member of the Catastrophic Leave Bank must submit a request in writing for additional days of catastrophic leave from the Catastrophic Leave Bank to the Personnel Office at least fifteen (15) working days, or as soon as possible, prior to the time he/she expects to exhaust all accrued personal sick leave. The Catastrophic Leave Bank member is required to submit a physician's verification to Personnel Services which clearly sets forth the diagnosis, prognosis, and expected length of absence.

- E. The Assistant Superintendent of Personnel shall determine if the illness or injury meets the appropriate criteria. Determining criteria includes, but is not limited to, situations which are incapacitating, disabling, and lengthy both in terms of illness/injury and/or recuperation. If the Assistant Superintendent determines that the illness/injury does not meet the appropriate criteria, then the parties shall arrange for a meeting of a Catastrophic Review Committee. This Committee shall consist of two (2) representatives appointed by the Association, and two (2) members appointed by the Superintendent or his/her

designee. If the Committee cannot come to consensus on the determination, then the final decision will lie with the Superintendent.

- F. The Catastrophic Leave Committee shall establish a minimum number of donated days required to keep the Catastrophic Leave Bank viable. If during any school-year the Committee determines that more days are needed to fund the Catastrophic Leave Bank for current and anticipated requests of sick days, a mid-year open enrollment may be held.

The Committee shall also establish a maximum number of donated days needed to keep the Catastrophic Leave Bank viable. If at the end of any school-year the Committee determines that the maximum has been reached, the Committee may declare a “bank holiday” for the next school-year and not require the mandatory one-half (1/2) day donation for current members to remain in the Catastrophic Leave Bank. In this situation, the Committee shall still hold an open enrollment period during the next school-year in order to give interested employees an opportunity to join the Catastrophic Leave Bank.

ARTICLE XIV: GRIEVANCE PROCEDURE

Section 1. Definitions

- A. A grievance is a formal written allegation by a grievant that he/she has been adversely affected by a violation, misinterpretation or misapplication of one or more specific provisions of this Agreement.  - 2) If a grievant does not present a grievance or appeal the decision rendered regarding his/her grievance within the time limits, the grievance shall be considered resolved.

- 3) If a District representative does not render a decision to the grievant within the time limits, the grievant may, within the time limits starting the day after the District's representative's last day to respond, appeal to the next level in the procedure.
- 4) Every reasonable effort shall be made by the grievant and the District to resolve the grievance at the lowest possible level.

B. Right of Representation

- 1) The Association shall have the right to represent grievants at any level of the formal procedure.
- 2) The grievant and the designated Association grievance representative shall be granted reasonable time off without loss of pay to attend grievance hearings before management representatives at each formal level.
- 3) If any two or more employees have essentially the same grievance at a concurrent time, the grievances shall be consolidated and processed collectively.
- 4) If the grievant is a group of more than two (2) employees, and all grievants wish to be present at grievance hearing, then the hearings, except for arbitration, shall be scheduled outside of instructional time.

The grievants may choose to appoint one (1) representative for each three (3) grievants to speak for the collective group at grievance hearings; in such instances, grievance hearings shall be scheduled during normal work hours.

C. Rights upon Submission of Grievances

- 1) No reprisals of any kind shall be taken by the Superintendent or by any member of representative of the administration or Board of Education against any employee or group of employees or any member of the Association for participation in the grievance procedure.

Section 3. Procedure

Level One - Immediate Supervisor

The grievant shall first discuss the grievance with the immediate supervisor with the objective of resolving the grievance. Within thirty (30) days after the date of the occurrence of the act or omission giving rise to the grievance, the grievant shall formally

present his or her grievance in writing to his or her immediate supervisor. The written grievance shall include a clear, concise statement of the grievance, the circumstances involved, a listing of the provisions of the Agreement which are alleged to have been violated, and a statement of the action(s) requested of the District to resolve the grievance.

Within ten (10) days after receipt of the written grievance, the immediate supervisor shall meet with the grievant, and the grievant's representative if so desired. Within five (5) days thereafter, a written decision shall be given to the grievant.

Level Two - Superintendent

If the grievant is not satisfied with the decision at Level One, he or she may, within five (5) days, appeal the decision in writing to the Superintendent or his or her designee. The written grievance shall include a clear, concise statement of the grievance and the circumstances involved, a listing of the provisions of the Agreement which are alleged to have been violated, and a statement of the action(s) requested of the District to resolve the grievance.

Within ten (10) days after receipt of the written grievance, the Superintendent or designee shall meet with the grievant and the grievant's representative. Within five (5) days thereafter, a written decision shall be given to the grievant.

When the Association is considered to be the grievant, as defined in Section 1, Level Two shall be the initial step in the procedure. The Association shall formally present its grievance in writing to the Superintendent within thirty (30) days of the date of the occurrence of the act or omission giving rise to the grievance. The written grievance shall include a clear, concise statement of the grievance and the circumstances involved, a listing of the provisions of the Agreement which are alleged to have been violated, and a statement of the action(s) requested of the District to resolve the grievance. The remaining time limits shall be the same as for all other grievances filed at Level Two.

Level Three - Arbitration

If the grievance is not resolved at Level Two, the grievant may present a request for arbitration, in writing, to the Superintendent, within fifteen (15) days of the date the decision was rendered at Level Two. As soon as practicable thereafter, or as otherwise agreed to by the parties, an arbitrator shall hear the grievance.

The parties shall either sign a joint issue submission statement or execute and sign separate alternate issue statements after discussion of the issue(s).

The fees and expenses of the arbitrator shall in all cases be shared equally by the District and the Association.

Arbitration hearings shall be in private.

The arbitrator shall be selected by the mutual agreement of the parties. If the parties cannot agree upon an arbitrator, a list of seven (7) names shall be requested from the American Arbitration Association (AAA), and selection shall proceed by AAA rules. Should this process fail to yield a selection, the parties shall request a second list of seven (7) names, and each party shall alternately strike one (1) name from the list until only one (1) name remains.

At the hearing, both the appealing grievant and the District shall have the right to be heard and to present evidence.

The decision of the arbitrator shall be final and binding on all parties.

ARTICLE XV: PAYROLL DEDUCTIONS

Section 1. Professional Dues or Fees and Payroll Deductions

Any employee who is a member of the Association, or who has applied for membership, may sign and deliver to the District an assignment authorizing deduction of unified membership dues and general assessments in the Association. Such authorization shall continue in effect from year to year unless revoked in writing. Pursuant to such authorization, the District shall deduct one-eleventh of such dues from the regular salary check of the employee each month for eleven (11) months. The District shall remit the dues to CTA Burlingame within ten (10) working days.

Section 2. Other Deductions

Upon appropriate written authorization from the unit member, the District shall deduct from the salary of any unit member, and make appropriate remittance for, insurance option premiums, annuities, credit union, savings bonds, donations to bona fide charitable organizations as approved by the Federal Internal Revenue Service, and any other plans or programs jointly approved by the District and the Association.

Section 3. Association Obligations

The Association or its agents shall comply with the following:

A. Dues Year and Fiscal Year

The Association shall notify unit members and the District of the dates of its fiscal year and its dues year.

B. District Remittance of Funds

With respect to all membership dues which are deducted by the district pursuant to voluntary authorization forms, the District agrees to remit such monies to the Association promptly.

- C. The Association shall indemnify and hold harmless the District from any claims, demands, or lawsuits arising out of or from the provisions of this Article. The District agrees to notify the Association in writing within thirty days after receipt of any written claims, demands, or lawsuits arising out of or from the provisions of this Article. Upon written request from the Association, the District will consult with the Association about the defense of any written claims, demands, or lawsuits. If a settlement offer is made by anyone filing a claim, demand, or lawsuit, and the Association requests that the District accept the settlement offer, the District shall accept the settlement offer if it does not adversely affect the District. The Association shall determine, after conferring with the District, whether any claim, demand, or lawsuit is to be compromised, tried, and/or appealed. This indemnification and hold harmless duty shall not apply to actions related to compliance with this section brought by the Association against the District.

ARTICLE XVI: SALARY SCHEDULES

Section 1. Schedules and Increases

The District and the Association agree that in future negotiations, the parties again will attempt to achieve a Certificated Salary Schedule within the context of total compensation which should be comparable to the total compensation of certificated employees in the other unified school districts in Ventura County. It is the intent of the parties that if class sizes are increased, the savings are used to increase compensation. (Certificated Salary Schedule Appendix A, Certificated Special Education Salary Schedule Appendix B.)

Section 2. Salary Schedule Placement Rules

A. Experience Credit

The maximum amount of previous teaching experience considered for initial placement on the salary schedule shall be six (6) complete school years of verified full-time experience in a teaching position requiring certification. A complete school year for the purposes of initial placement on the salary schedule shall be one school year in which the unit member served 75% of a complete school year in a paid status by the employing district.

Experience credit for Health Services Specialists with a preliminary credential shall include up to three years of full-time verifiable clinical nursing experience as a Registered Nurse for placement on the salary schedule. Upon completion of the clear Health Services Specialist credential, the bargaining unit member is eligible for up to three additional years of full-time verifiable clinical nursing experience as a Registered

Nurse for placement on the salary schedule. The unit member shall notify the District of eligibility to advance on the annual Intent to Return document.

B. Salary Placement

Semester units in Classifications 1B through VI must be subsequent to the Bachelor's Degree and must be in upper division or graduate level courses to be credited for salary purposes and effective on or after July 1, 2000, must hold a valid California teaching credential to be placed in Class II-VI.

C. Step Advancement

Step advancement on the salary schedule for full-time unit members after initial placement on the schedule shall require the completion of one complete school year in which the State Teachers Retirement System has credited to the unit member's retirement at least 75% service credit for service rendered during that school year.

Step advancement on the salary schedule for part-time unit members after initial placement on the salary schedule shall require that, during a maximum of two school years, the State Teachers Retirement System has credited to the unit member's retirement account the equivalent of 100% service credit for one complete school year of service. The two school years of part-time employment are not required to be consecutive but must both be based on part-time service with the District.

Service credit shall include all time during which a unit member is on a paid leave of absence from the District during the school year, or two school years for a part-time unit member. No time during which the unit member is on unpaid leave of absence from the District during the school year, or two school years for a part-time unit member, shall be counted for service credit.

The District may require a unit member to submit STRS service credit records for verification of eligibility for step advancement on the salary schedule.

D. Classification Advancement

Classification advancement on the salary schedule shall be based on the receipt of official transcripts. In no case shall official transcripts be submitted later than October 1 of the school year in which the salary schedule advancement is to take place.

E. District Notification Concerning Advancement

A unit member must notify the District of the unit member's eligibility to advance on the salary schedule, either in step or class. A unit member must notify the District if the employee is eligible to combine two years of part-time service for advancement on the salary schedule. Such notice shall be submitted to the District on the annual Intent to Return statement.

F. Anniversary Increments

Effective December 1, 2005, all members of the bargaining unit who have progressed through the salary schedule to the final step of their column, received the following anniversary increments shall, upon reaching their fifteenth (15th) year of service to this District, to include the number of years for which they were given credit on their initial placement on the salary schedule at the time of their employment, receive the anniversary increment set forth below each school year, and under the same above conditions, upon reaching their twentieth (20th), twenty-fifth (25th), and thirtieth (30th) years of service respectively, receive the additional anniversary increments set forth below each school year:

- 1) 15th Year: \$1426
- 2) 20th Year: \$1476
- 3) 25th Year: \$1526
- 4) 30th Year: \$1576

The anniversary increments were incorporated into the regular salary schedule and are reflected as annual compensation for each step and column. Therefore, the anniversary increments shall also be increased with subsequent raises to the salary schedule.

G. BCLAD Augmentation

- 1) \$500 annually will be paid to bargaining unit members who have a BCLAD credential in recognition of services provided in translating for parent conferences and support with other communications between the school and non-English speaking homes.

J. Salary Verification

A unit member must notify the District on or before December 13th of any school year in which the unit member believes that the District has improperly paid the employee and the specific reason for this claim. In addition, each unit member must notify the District of the accuracy or inaccuracy of all of the information contained in the Verification of Salary and Payroll records by no later than December 13th of the school year to which the Verification applies.

K. Enhanced Initial Placement

The parties recognize that due to shortages in the labor market and competition from the private sector, it has become increasingly difficult to recruit and retain qualified Speech and Language Pathologists. The parties also recognize the current contract language addressing years of previous, qualified experience may not be sufficient, in the current labor market, to attract and retain qualified Speech and Language Pathologists. Therefore, the parties agree to grant the enhanced initial placement of Step 9 for qualified Speech and Language Pathologists.

Section 3. Extra Duty Stipends

- A. Effective for the summer school session of June/July 2019, the hourly rate for summer school shall be \$35.00.

Funds from any funded stipend position that is vacant may also be reallocated by mutual agreement by the District and the Site Stipend Committee.
- E. Effective July 1, 2019, the Extra Duty Stipend Schedule is as reflected on the Extra Duty Stipend Schedule in Appendix C. Appearance of a program on the list does not obligate the District to establish, maintain or continue the program listed.

Section 4. Eleven Month and twelve Month Pay Cycle

Bargaining unit members shall be given the option once each year of an eleven-pay or twelve-pay payroll plan.

If no written request of change is received by August 1 of succeeding years, whatever option (11-pay or 12-pay) was in effect for each employee for the preceding year will be continued for the next school year.

ARTICLE XVII: INSURANCES AND BENEFITS

- C. Unit members leaving the District during the school year shall be entitled to insurance benefits through the end of the month in which the unit member leaves. Unit members leaving the District at the end of the school year shall be entitled to insurance benefits to October 1 of that calendar year.

Choice of coverage and plus one eligibility shall be made as required by the carriers and this agreement and the ability to move between plans shall be as permitted by the carriers.

- A. Students, parents or citizens may present informal and/or formal complaints regarding unit members to the District. Students, parents or citizens should be encouraged to present informal complaints first with the unit member who is the subject of the complaint, or with that unit member's immediate supervisor, prior to presenting any formal complaint to the District.
- B. Informal Complaints: No record of any informal complaint shall be placed in the personnel file of a unit member unless:
 - 1) The unit member's immediate supervisor or a designee conducts an investigation about the complaint. Such an investigation may include a conference with the complainant, a District representative, the unit member, and the unit member's representative. In addition, the unit member may request a separate conference with the investigator.

 - 1) The unit member's immediate supervisor or a designee conducts an investigation about the complaint. Such investigation may include a conference with the complainant, a District representative, the unit member, and the unit member's representative. In addition, the unit member may request a separate conference with the investigator.
 - 2) If there is no evidence to substantiate the complaint, no record of the complaint shall be placed in the personnel file, and no future reference shall be made in the personnel file to the unsubstantiated complaint.
- D. No record of any complaint shall be kept if any investigation by the District shows that the complaint has no merit, or the District believes that no record shall be maintained. This stipulation shall not preclude the District from maintaining records of complaint investigations for purposes of compliance with state and federal laws as it specifically

relates to Education Code 253, which requires the District to make records of complaints of sexual harassment available to the state for review.

ARTICLE XIX: JOB SHARING

Section 1.

For purposes of this Article "job sharing" shall refer to an arrangement in which two full-time permanent teachers share one teaching assignment with both teachers being on partial leave of absence without compensation. To be eligible, teachers must be permanent certificated employees of the District with at least one year of full-time successful teaching experience at the grade level in the job sharing arrangement.

Section 2.

Eligible teachers who wish to participate in job sharing must propose a job sharing arrangement to the District no later than the last Friday in February of the school year preceding the school year in which the job sharing arrangement is proposed to take place. Each proposal must be made by two eligible teachers. A job sharing arrangement shall be approved only for one (1) year, but may be renewed on an annual basis. No job sharing arrangement shall be implemented without the prior written approval of the principal and of the Superintendent.

Section 3. Required Contents of Any Job Sharing Arrangement

- A. Teachers shall work together on each non-teaching preparation days prior to the opening of school and the first week of teaching days to ensure a smooth opening. Each teacher shall work the same amount of time per year. Minor adjustments may be made due to holidays, since they do not fall evenly throughout the year. In addition, teachers will meet as needed to prepare progress reports and plan parent conferences.
- B. Fringe benefits shall be pro-rated according to the amount of time worked. Each teacher shall receive a pro-rated amount of health, welfare and leave benefits. Contributions to the State Teachers' Retirement System shall be proportionate to time served and salary earned.
- C. Advancement on the salary schedule shall require two years in job sharing to advance one year whenever any teacher serves less than seventy-five percent (75%) of full-time. If the teacher does not work a second year, the teacher shall not receive advancement credit for job sharing unless the teacher served at least seventy-five percent (75%) of full-time.
- D. In the event that one of the two teachers in a specific job sharing arrangement is unable to fulfill all requirements of the arrangement, the other teacher shall be returned to full-time status until an acceptable resolution is found and receives written approval of the principal and of the Superintendent.

- E. One teacher may substitute for the other on a short term basis and shall be paid at the regular substitute salary for the days taught.
- F. Both job sharing teachers shall work on all regularly scheduled non-teaching workdays.
- G. Both job sharing teachers shall share the responsibility of contacting parents as needed and sharing the results of those contacts with the other job sharing teacher.
- H. Staff meetings and in-service days shall be attended by the teacher who is scheduled to teach on that day. Both teachers shall be responsible for the information presented at staff meetings.
- I. Both job sharing teachers shall be present for Back-to-School Night and Project Nights/Open House.
- J. The two teachers in a specific job sharing arrangement may, with principal approval, mutually agree to exchange regularly assigned times. Each pair of exchange times must be in the same pay period.

ARTICLE XX: SITE BASED DECISION MAKING

The parties acknowledge the importance of improving the instructional program through site-based decision making. When a school develops a site-based proposal it must be submitted to the Superintendent, the Board of Education and the MEA for approval if such a proposal has contract implications involving one or more articles of the Master Agreement. Side Letters of Agreement shall be entered into by the District and the MEA when appropriate in order to facilitate site-based objectives.

The District and the Association agree that the provisions of any Side Letter of Agreement shall not be interpreted or considered in any way as establishing any precedent or any practice. It also shall not be interpreted or considered in any way as a violation of any agreement, condition or practice.

The District and the Association agree that such side letters may be initiated for a period of one or two years and that renewal of side letters beyond the second school year would require the drafting of a second side letter for an individual school.

ARTICLE XXI: STIPULATIONS OF AGREEMENT

Section 1. Effect of Agreement

The Terms and conditions set forth in this Agreement shall supersede and cancel all previous agreements between districts now incorporated into the Moorpark Unified School District and associations now incorporated into the Moorpark Educators' Association. This Agreement shall further supersede any rules, regulations or practices of the Board which shall be contrary to or

inconsistent with its terms. The provisions of this agreement shall be considered part of the established policies of the Board.

Section 2. Completion of Agreement

The terms and conditions set forth in this Agreement represent the full and complete understanding between the parties hereto. During the term of this Agreement, the Association agrees that the Board of Education of the District shall not be obligated to meet and negotiate with respect to any subject or matter whether referred to or covered in this Agreement or not, even though such subject or matters may not have been within the knowledge or contemplation of either or both the Board or the Association at the time they met and negotiated on and executed this Agreement and even though such subjects or matters were proposed and later withdrawn, except as provided in Section 4. Duration of Agreement. This zipper clause shall not be interpreted to allow the District to unilaterally change established working conditions within the scope of representation without satisfying its bargaining obligation. Notwithstanding the above, changes in mandatory bargaining unit member benefits within the scope of representation due to amendment, addition or repeal of statutes through legislation or decree of court of competent jurisdiction, shall obligate the parties, within ten (10) days, upon request, to meet and negotiate concerning the provisions affected.

This Agreement may be altered, changed, added to, deleted from or modified only through the voluntary, mutual consent of the parties in a written and signed amendment to this Agreement.

Section 3. Separability of Provisions

If any provisions of this Agreement are held to be contrary to law by the California or United States Supreme Court, such provisions shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions will continue in full force and effect.

Section 4. Duration of Agreement

The terms and conditions of this Agreement shall be in effect on the date of ratification by both parties up to and including June 30, 2023.

In year two of this agreement (2021 – 2022 school year), Salary (Article XVI) and Health Benefits (Article XVII) shall be open for negotiations as well as two other articles chosen by each party. The parties reserve the right to mutually agree to open additional articles.

In year three of this agreement (2022 – 2023 school year), Salary (Article XVI) and Health Benefits (Article XVII) shall be open for negotiations as well as two other articles chosen by each party. The parties reserve the right to mutually agree to open additional articles.
