Math Kit for non-Math people
Examples to get the answers and charts
Using OpenAI.com

Price for Program \$795.00

Developed by Mark Kembel

Data Science

Courses

Introduction to Data Science
Introduction to Artificial Intelligence
Deep Learning & Computer Vision
Basic Linear Math
Machine Learning Project
Data Science Python
Basic Probabilities Theory
Statistics
Microsoft Power BI

Price for Program \$2,995.00

Data Analyst

Courses

Introduction to Artificial Intelligence
Microsoft SQL Server
Microsoft SQL for Data Analytics
Data Analyst Project
Big Data
Data Lakes
Advanced Machine Learning
Basic Linear Math
Basic Probabilities Theory
Statistics
Microsoft Power BI

Price for Program \$2,995.00

AI Engineering

Courses

Introduction to Artificial Intelligence
Deep Learning & Computer Vision
Microsoft SQL Server
Data Analyst Project
Machine Learning
AI Engineering
Big Data
Data Lakes
Advanced Machine Learning
Basic Linear Math
Statistics

Price for Program \$3,995.00

Data Scientist

Courses

- Introduction to Artificial Intelligence
- Microsoft SQL Server
- Data Analyst Project
- Machine Learning
- Big Data
- Data Lakes
- Basic Probabilities Theory
- Advanced Machine Learning
- Basic Linear Math
- Statistics
- Advanced Statistics

Price for Program \$3,995.00

Machine Learning Engineer

Courses

- Microsoft SQL Server
- Data Analyst Project
- Machine Learning
- Computer Vision
- Big Data
- Data Lakes
- Basic Probabilities Theory
- Advanced Machine Learning
- Basic Linear Math
- Statistics
- Advanced Statistics

Price for Program \$2,995.00

AI Masters Project

Programs Courses

AI Engineering Chat GPT section
Machine Learning Engineering Churning
Introduction to Data Science
Data Analyst Reports and Graphs

Additional Courses

Basic Probabilities Theory

Statistics

Basic Linear Math

Deep Learning

Computer Vision

Price for Program \$4,995.00

AI Program Manager

**Agile Development
Software Test Development Engineer**

Developed by Mark Kembel

Price for Program \$995.00

Agile Development

Developed by Mark Kembel

Enrollment Directions

Email your **Program** you want to aiondevplus@gmail.com.

Provide Name, Email Address, Phone Number and Address.

Questions: call 425.324.8264 or email markkembel@gmail.com

Payment Information

Provide us with how you plan to pay:

Personal Check - send payment to: **AI Online Developer Plus Inc.**

Mark Kembel

12505 NE 116th St, A35

Kirkland, WA 98034

Money Orders or Certified Bank Draft are also acceptable. Make check able to **AI Online Developer Plus Inc.**

All major credit cards are also a way to pay.
