

## **GLA Monthly Report – February 25<sup>th</sup>, 2019 Board Meeting**

### **Weed/Algae/Sediment Control Committee Report**

The 2019 Rollins Aquatic Solutions contracts for Weed/Algae/Sediment Control for Goose, Beaver, and Lincoln Lakes that were approved at the January GLA Board Meeting have been signed and mailed back to Rollins. Rollins has verified that they have received the approved contracts and are ready to start as soon as the season & weather permits.

As per the contract, we will be invoiced in 3 installments during the year with 40% of the cost billed on March 1<sup>st</sup> for \$12,922, 40% billed on June 1<sup>st</sup> for \$12,922, and the remaining 20% billed on October 1<sup>st</sup> for \$6,461.

The first installment invoice of \$12,922 has been received and is in the process of being processed in the GLA Office to meet the required 3/31/19 due date.
