The meeting consisted of the following: Ms. Fisher called the meeting to order at 6:00pm.

2. Employee Updates: Mr. Haskins reported that we are at full staff. Ms. Haskins reported that life insurance for employees has been enacted.
3. Employee Manual: Ms. Haskins brings up the proposed change of wording for the Compensatory Time section. Mr. Barber offers a substitute wording as follows:
    a. In lieu of receiving overtime pay, eligible employees may elect to receive compensatory time ("comp time") in accordance with applicable federal and state law and Township policy. Compensatory time shall accrue at the same rate as overtime compensation would otherwise be earned. Employees may accumulate a maximum of 72 hours of compensatory time, including compensatory time carried over from year to year. Once this maximum has been reached, no additional compensatory time may be earned until existing comp time has been used.

       Employees are encouraged to use accrued compensatory time throughout the calendar year. Any unused compensatory time remaining at the end of the calendar year may carry over to the following year~~, but no new time may be accrued until existing comp time has been used.~~
    b. Mr. Barber moved the Township adopt and include this reading of Compensatory Time in the Employee Manual, seconded by Mr. Ecker. Roll Call Vote: Ms. Welch – Aye; Ms. Fisher – Aye; Mr. Davenport – Aye; Mr. Barber – Aye; Mr. Ecker – Aye. Motion passed 5-0.
4. Trustee Update:
    a. Ms. Haskins presented the Committee with a report on Billing and Collections for the Territory.
    b. Ms. Haskins reported during an annual audit by Workman's Compensation Insurance, our cost will increase $6,010.00. She believes that her successor may be able to reduce this because of being at full staff and reducing volunteer expenses.
    c. Ms. Haskins reported that the Fire Territory General Fund has spent 66% of their budget thus far this year.
