**CIBC RUN
FOR THE CURE**

To Whom It May Concern,

My name is Michelle Novak, and I am the Run Director of Logistics for the CIBC Run for the Cure. I am writing to express my heartfelt gratitude for Kimberly's participation as our Participant of Hope Speaker at this year's Run on October 5, 2025.

Kimberly's speech was a powerful and moving account of her journey with breast cancer. Her story not only highlighted the importance of early breast screening but also showcased her immense courage and dedication as an advocate. Her words resonated deeply with everyone in attendance and left a lasting impression of hope and determination.

Thank you once again for your incredible contribution to our event. Your support and inspiration are invaluable to our cause.

Sincerely,

Michelle Novak
