Welcome to the 2023 golf season! We are expecting another great year for the Wolves.

Tryouts:

The team will host tryouts August 9, 10, & 11th at 3:00pm. There is a practice round at Ancala open to all kids at 3:00pm on August 2nd. The kids will play three (3) nine-hole rounds. The Coach will be making the final decisions on the roster for 2023 based on tryout performance, overall potential, and the number of participants vs. spots available. Team selection will be determined by and at the discretion of our coach.

Parent Meeting:

There will be a Parent Meeting August 11th ~6pm, following the final day of tryouts. Look for us in or around the Ancala CC Clubhouse or covered patio area. The Coach and Booster Club officers will answer questions and talk about expectations for the season. We will also be collecting **Booster Club Dues** at this time (see below).

Practice:

The team's practices, qualifiers, and matches/tournaments typically happen Tuesday thru Friday. Practices will be held after school starting between 3:00pm and 4:00pm at Ancala CC. Coach will let the team know in advance.

- In the past, our Coach's primary method of communication is TEXT using a player only text group – this is subject to change given we are looking for a new coach.

Uniforms:

The team will be furnished with golf uniforms (paid by the booster club). Uniforms include shirts, hats, pullovers. We bought new bags recently (owned by the school) and will also provide each player with DM Wolf Logo'd golf balls w(ProV1s). The bags will need to be returned at the end of the season to the school.

- We are asking the kids to provide their own shorts (Gray & Black) and belt of their choosing. The kids are also responsible for any other uniform and equipment (clubs, gloves, tees, shoes, etc).

Booster Club Dues:

The dues for Booster Club for 2023 will be \$500. Each child/family is responsible for payment prior to joining the team. The team is dependent upon the dues for a variety of items including uniforms, travel, food, website maintenance, tournaments, awards, state expenses, etc. Please make payment to Desert Mountain Boys Golf Booster Club (Zelle or check). If you have any questions or concerns regarding the dues, please speak to an officer of the booster club to work out an alternative payment arrangement. Current Booster Club officers are Craig Caffarelli, President and Lisa Wightman, Treasurer. VP & Social Media positions are open if you are interested in getting involved; please reach out to Craig or Lisa.
