

The 1721 Lady Blunt Label Forgery.

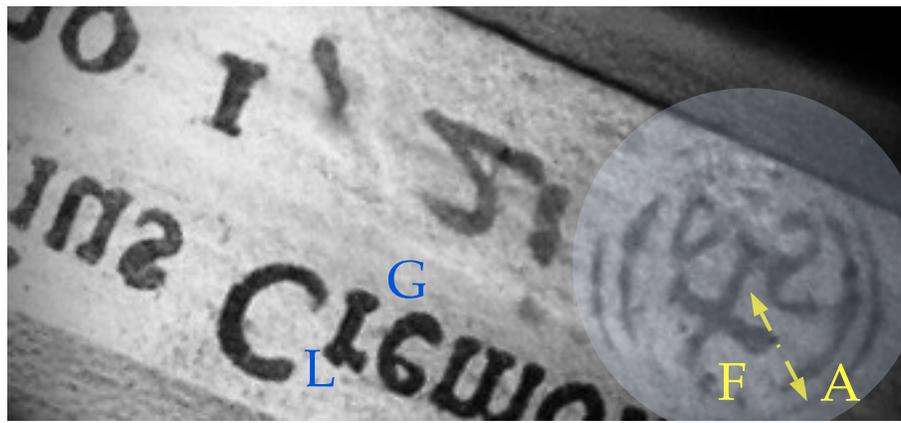

The original label.

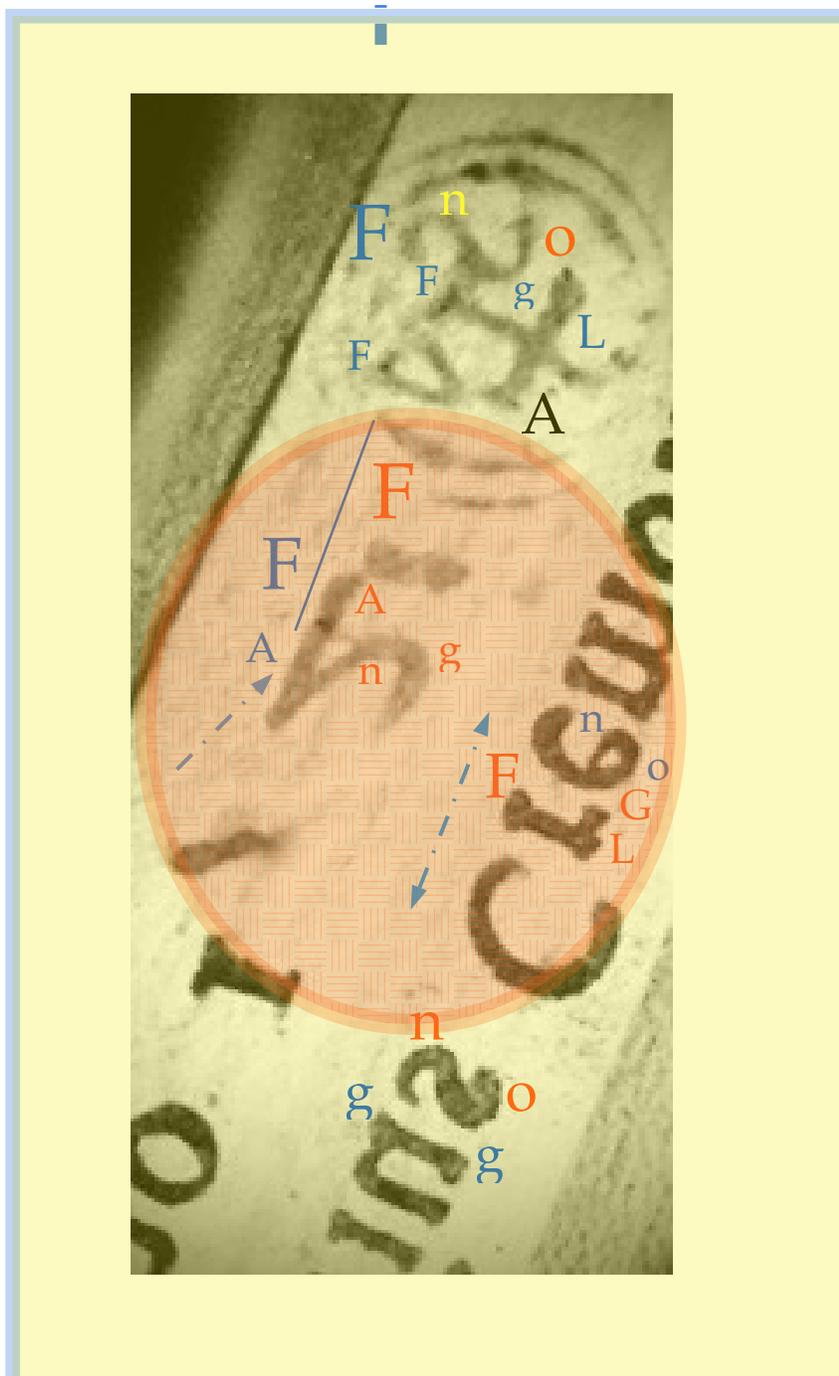

Is entirely ciphpered.

The abnormal "F"

as well in mirror effect...

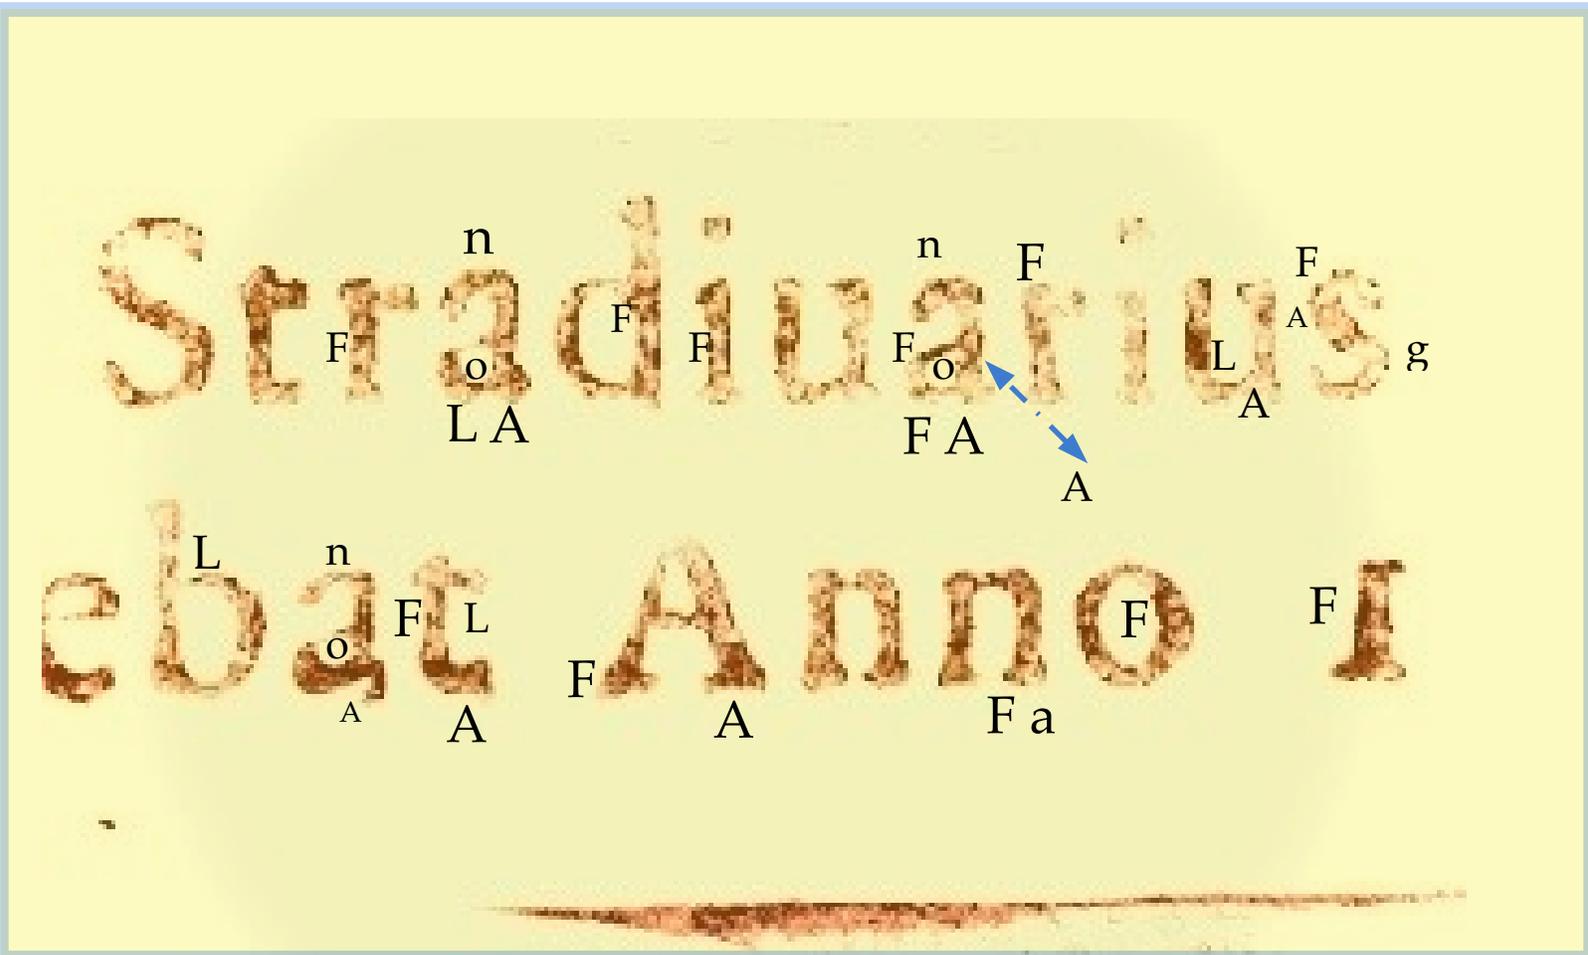

Mirror effect  G

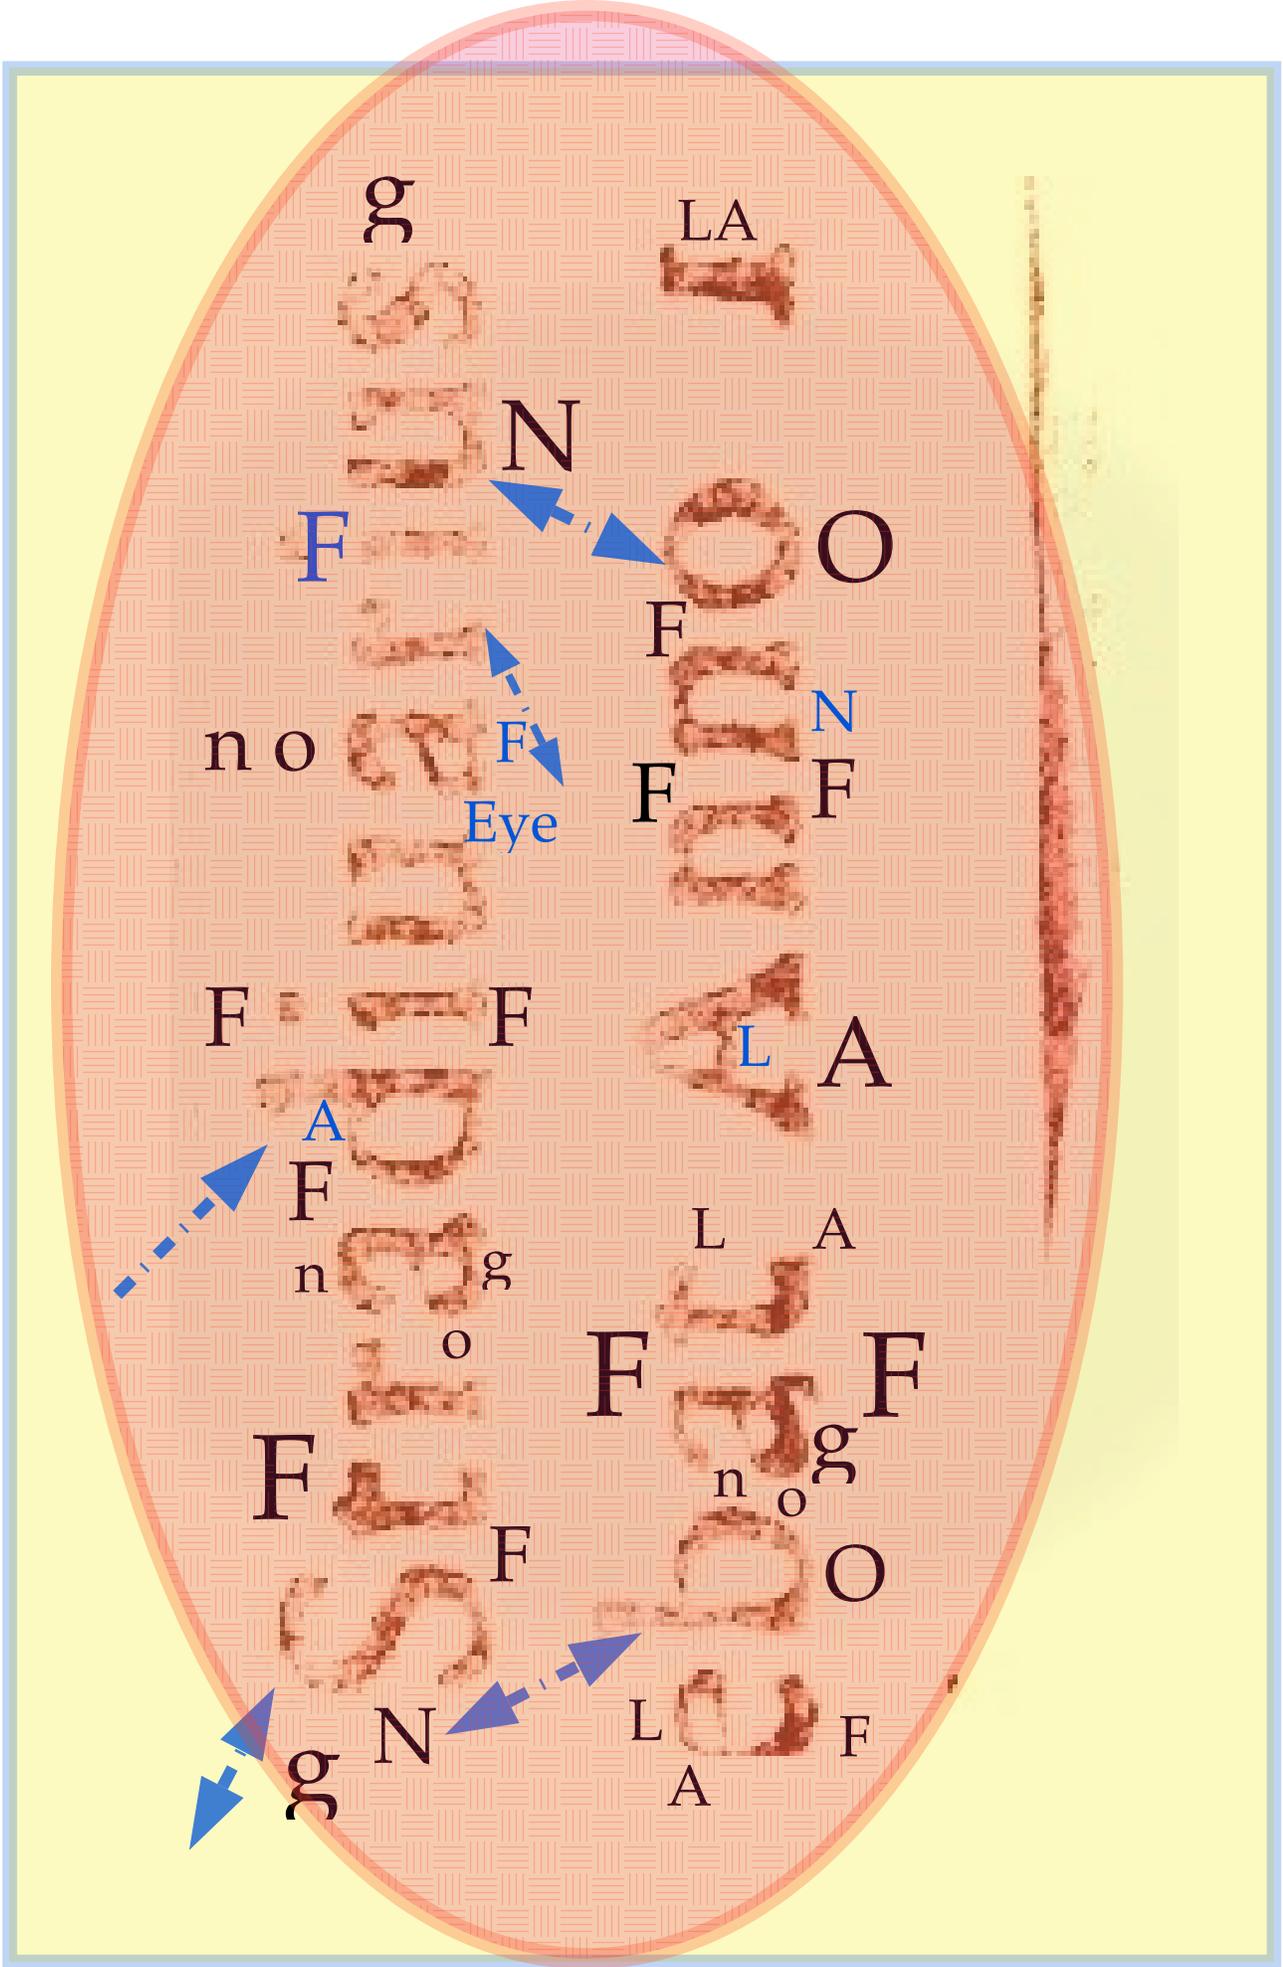

The original label.

The underground of the printed letters is endowed with a secret hypertext hiding the true maker's name: Annibale Fagnola.

The Cozio Salabue Fagnola Eye of Providence seen in his measurements of the Messiah Stradivari is dominating the "A" of Antonio.

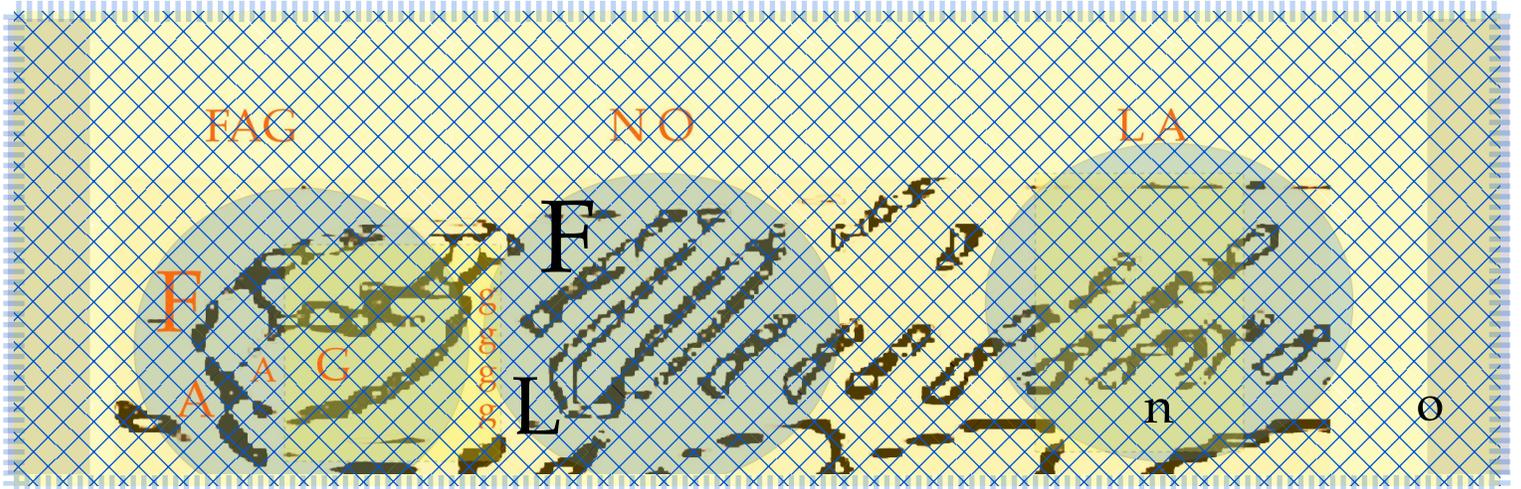

The underground of the printing device is endowed with the "Fagnola" lettering and freemasonry eyes of providence.

The 15 million last sale was accompanied by a "genuine" certification of French luthier Jean Baptiste Vuillaume entirely encrypted by the true maker of the "illusive Stradivari", Annibale Fagnola.

The deceptive Vuillaume signature.

Is all encrypted with the
lettering F A G N O L A

The screenshot shows a Google search interface. At the top is the Google logo, a share icon, and a profile picture. The search bar contains the text "annibale fagnola" with a microphone icon and a Google Assistant icon. Below the search bar are navigation tabs: "Mode IA", "Tous", "Images" (which is selected and underlined), "Actualités", and "Vid". The search results are displayed in a grid. The first row contains two image thumbnails. The left thumbnail shows three violins from different angles. Below it is the text "Annibale Fagnola |..." and a "T" icon followed by "Tarisio". The right thumbnail shows a violin with a portrait of a man in the background. Below it is the text "L'histoire légendaire d..." and a gear icon followed by "themessiahstradivari...". The second row contains two more image thumbnails of violins. At the bottom of the screen is a navigation bar with four icons: a home icon labeled "Accueil", a magnifying glass icon labeled "Rechercher", a bell icon with a red notification bubble labeled "Notifications", and a clock icon labeled "Activité".

Easy to find on Google.
