1714 'da Vinci, ex-Seidel' Stradivari violin sells for \$15.34m

10 JUNE 2022

The sale of the violin heard on the soundtrack to *The Wizard of Oz* constitutes the second-highest amount ever paid for a Stradivari violin at auction

THE DECEPTIVE LETTER OF Emil Hermann at the
WELLINGTON HOTEL IN NEW-YORK:
FREEMASONRY FRANCIS BACON BI-LITERAL
CYPHER SYSTEM AND ANNIBALE FAGNOLA
ENCRYPTION.

Emil Herrmann gave a handwritten "Garantie" for the 'da Vinci' written in German on stationery from the Hotel Wellington on 7th Avenue.

Promoted by Jason Price of Tarisio's auction house, the document has been deciphered in its entirety by us. We provide here the most obvious ciphers of the fraudulent documentation.

See the complete scientific decryption, pages 10-31 , Book 1. The certification was fabricated by Annibale Fagnola. The hypertext is obvious, and experts are in awareness of our findings, but did not retract the sale as being deceptive, as usual.

Download the 3 QR books free displayed on our YOUTUBE CHANNEL, discover thousands of official documentation published by renowned experts involved into the violin trade, and find out how everything is misinterpreted and erratic.

Because truth matters, Justice matters.
