

PREVENTION: Though this product presents no specific hazards, it is recommended that users avoid inhalation, ingestion, and contact with eyes and skin. Always use proper personal protective equipment (PPE).

RESPONSE: May cause temporary eye and skin irritation. May cause gastrointestinal tract irritation, if ingested. In case of contact with eyes, flush with plenty of water for 15 minutes, occasionally lifting lids. In case of contact with skin, wash area with soap and water. Get medical attention if eye or skin irritation persists. If ingested, drink 1 to 2 glasses of water to dilute, and get medical attention.

STORAGE: Store at temperatures below 120°F in a well-ventilated place, out of direct sunlight. Keep container tightly closed when not in use.

DISPOSAL: Dispose of contents/container to approved waste disposal plant in accordance with federal, state, and local regulations.

SPILLAGE: Wear appropriate PPE. Avoid spills and clean them up immediately when they occur. Product is slippery. Avoid accidental release of concentrate into sewers or water ways. Contain spill if possible. Absorb on mineral clay absorbent material. Shovel into DOT approved container for disposal.

PRECAUCION

AL USUARIO: Si usted no lee Inglés, no use este producto hasta que la etiqueta le haya sido explicada ampliamente. **(TO THE USER: If you cannot read English, do not use this product until the label has been fully explained to you.)**
