STRATEGY LAB: Example SOAR

<p>Issue</p>	<p>STRENGTHS (S) What makes us unique?</p>	<p>OPPORTUNITIES (O) What are the new trends and opportunities that we can take advantage of?</p>	<p>ASPIRATIONS (A) What does the future of our region look like?</p>	<p>RESULTS (R) How will we know when we have accomplished our aspirations/goals?</p>
<p>Sample Issue and SOAR Improve access to training programs for widget developers.</p>	<p>Lehigh Valley has a large and growing widget industry based on our location and number of widget companies.</p>	<p>There is an increasing need for widgets due to the projected growth of products and services that use widgets.</p>	<p>The Lehigh Valley will become a leader in widget developer education to support the growth of the widget industry and to increase the number of jobs in this sector.</p>	<p>By 2050 there will be a 20% increase in people with widget degrees or certifications from LV institutions, and widget industry employment will grow by 30%.</p>
