At St. Philip Neri, we are honored to partner with you in nourishing the faith instilled in your child at Baptism. As your child's first teacher, your role is vital, and our goal is to support your family as we grow together in the love of Jesus Christ and the beauty of the Sunday Mass.

### Join Our Mission: Serve & Grow

Our program thrives because of the generosity of our community. We invite you to consider sharing your time and talents with our children.

- **Roles:** We need catechists, classroom assistants, and recess or snack aides.
- **No Experience?** No problem! We provide all the training and support you need.
- **A Special Thank You:** Parents or grandparents who serve full-time in the classroom receive a **full waiver of PREP fees.**
