

Secureone Security Announces Expansion in Tempe, AZ

Phoenix security company continues with multi-faceted growth strategy

PHOENIX - June 6, 2018 - [PRLog](#) -- Secureone Security Services, the Chicago-based security services company with locations throughout the United States, is answering the strong demand for a advanced security services throughout the Phoenix-land area. Soon-to-be occupying the first floor of Concordia Office Park building, one of the "Best Security Firms in Phoenix," as stated by the Phoenix Business Journal, will now have its Valley headquarters located at 1414 W Broadway Tempe #115. The unique space will allow Secureone to house the growing staff, host industry events and conferences plus offer in-house armed and unarmed security personnel training.

"I am thrilled to see the Phoenix branch thrive so substantially. I am confident the new office space will bring even more success in the upcoming year," said President and CEO, James McGovern. "Our new Phoenix location truly demonstrates the major growth and expansion the Phoenix branch of Secureone Security has experienced," said Vice President, of Secureone Anthony J. Rumore. He continues, "The entire team is excited to move on to bigger and better things in the Phoenix-area!"

About Secureone Security Services

Secureone is a Chicago-based security services company with locations throughout the United States. The company far surpasses competition in the industry with highly-skilled security guards, patrol services and fingerprinting. Secureone uses Patroltrac, an advanced technology for real-time tracking, reporting and emergency response.
