To Whom It May Concern,

I have had the great honor of working with Anthony Rumore for the past 9 months, during which time he has been an exceptional facilitator of his security acumen. He has worked alongside our property management company since 2017 and has played a strong role in keeping our properties secure.

Anthony's integrity, transparency, and consistency have helped to maintain our property patrols running seamlessly and efficiently at various locations throughout the valley. He is consistently available when needed, informative in response to all our requests, and his professionalism and dedication are unmatched. Anthony is easy to communicate with and always provides outstanding service.

I would highly recommend him for a role in security consulting. He would be a great addition to any organization. If you have any questions, please feel free to contact me.

Kind Regards,
