RE: Mr. Anthony Rumore

To Whom It May Concern:

Over the past few years I have had the pleasure of working with Anthony Rumore with regard to security services at our retail center. Beginning with our original meeting and continuing through present day, Anthony has exhibited sincere professionalism, extensive knowledge of the security industry, a passion for ensuring his clients receive the best and most appropriate service available, and the ability to provide insight and/or services for those unique circumstances that arise at times.

We have been extremely fortunate in having Anthony involved in the security of our center which has been a positive experience in all aspects and I recommend his services without hesitation to any business or individual that may be looking for security services.

Please feel free to contact me with any questions you may have.

Sincerely,
TOWN & COUNTRY CAMELBACK, LLC
