To Whom It May Concern:

It is my pleasure to strongly recommend Anthony Rumore for any security consultation needs.

I am Rev. Mark McCrory, the Senior Pastor at Desert Foothills Church and Preschool and a Chaplain with the United States Secret Service. I have 10 years of experience leading parochial schools in Tennessee and Arizona, as well as four years with various law enforcement agencies. In security consulting, I have many young professionals come and go. Anthony is one individual I have worked with who uniquely stands out.

During our time together, Anthony displayed great talents in listening to our needs, assessing our risks, and recommending solutions to better protect our students. When we first met, I was immediately impressed with Anthony. His military and law enforcement background give him instant credibility and a real-world knowledge that greatly benefited our security planning.

It's not just his technical skills that impress me, however. Mr. Rumore was a joy to work with because of his amazingly positive attitude and earnestness. His dedication and commitment were also necessary and valued not just by myself, but by our school's leadership team.

I am absolutely confident that Anthony Rumore would be a great fit for your institution. He will bring the kind of skills and experiences you are looking for in a Security Consultant.

If you need more information or specific examples, please do not hesitate to contact me at 480.585.8007. As a recommendation letter likely only provides a snapshot of his talents and achievements, I would be happy to further elaborate on my time working with him.

Sincerely,

Rev. Mark McCrory, Senior Pastor
